MATCH WON BY LOCAL PLAYERS

GREENCASTLE GOLF CLUB TEAM
DEFEATS CRAWFORDSVILLE
GOLF CLUB TEAM ON THE
GREENCASTLE LINKS TUES-
DAY AFTERNOON—CRAW-
FORDSVILLE PLAYERS WIN
THE TOURNAMENT.

DIDDLE LOWERS A RECORD

The Greencastle Golf Club team de-
feated the Crawfordsville Golf Club
team in the match played on the
Greencastle links Tuesday afternoon
by a score of 10 to 9. H. W. Orn-
baum, with a handicap of 6, won the
tournament, however. He handed in
a card of 88 for the 18 holes. His
net score was 82.

Will Diddle, Central States cham-
pion, a member of the Crawfordsville
club, who was given a minus hand-
icap of four strokes, was second in
the tournament. Mr. Diddle played
the eighteen holes in 82 strokes, the
lowest score of the afternoon. His
minus handicap of four strokes added
his gross score, made his net score
86.

Incidentally Mr. Diddle broke a
course record during the afternoon
play, playing the last six holes of
his match game in 23 strokes. This
is two strokes lower than the six
holes had ever been played before.

Seven Crawfordsville players were
here to take part in the tournament.
In the tournament each player was
given a handicap. Mr. Diddle was
the only player who was given a
minus handicap. That is, he was
charged with four strokes, which were
added to his score for the eighteen
holes. All other handicaps were plus
handicaps. That is the strokes allowed
the players were subtracted from
their gross score.

The Crawfordsville players were
paired with Greencastle players and
at the same time they were playing
the tournament, they were playing
a match game with the Greencastle
players. In the match play, the win-
ning of holes and not the aggregate
number of strokes for the course
counts. The match was won by the
Greencastle players who scored ten
points while Crawfordsville scored but
nine.

The result of the tournament play
is as follows:

First—H. W. Ornbaum (6), Craw-
fordsville, 82.
Second—W. Diddle (-4), Crawfords-
ville, 86.

Third—G. Fosdick (9), Crawfords-
ville, 87.
Dr. A. J. Throop (9), Green-
castle, 87.

The match play and points scored
are as follows:

Throop, 1; Engle, 2.
Ellis, 0; Ornbaum, 2.
Hixon, 3; Hulet, 0.
Sayers, 1; Diddle, 2.
McCutchan, 3; Green, 0.
Martin, 2; Fosdick, 0.
Taylor, 0; O'Neal, 3.
Total—Greencastle, 10; Crawfords-
ville, 9.

HOLD STONER FAMILY REUNION WEST OF CITY

About seventy-five members of the
Stoner family met at the home of
Lycurgus Stoner, Jr., Tuesday and
enjoyed the annual reunion of that
family. The reunion was held 2½
miles west of this city on the old
Stoner homestead. The home was oc-
cupied by the oldest members of the
family.

The dinner, which was served in
bountiful fashion on long tables on
the lawn at the Stoner home, was the
interesting feature of the day's pro-
gram. During the afternoon a number
of the older residents of the family
addressed the crowd and several re-
citations were given by the young folks.
A business meeting was held and the
following officers were elected for
next year:

President.....James Walker
Vice President.....Lacey Stoner
Secretary.....Mrs. Christine Stoner
Treasurer.....Lycurgus Stoner

SHOW OF 1916 MOTOR CARS AT INDIANA STATE FAIR

The first show of 1916 automobiles
in the United States will be held at
the Indiana State Fair the week of
Sept. 6 by the Indianapolis Auto-
mobile Trade Association. Like the show
at the fair last year, it will be on
most lavish scale, occupying 50,000
square feet of space. Practically ev-
ery popular American make of car
will be on exhibition, showing all that
is new in six, eight and twin-six en-
gines, streamline bodies, electric
equipment and other appliances, which
mark the many changes that are in-

cluded in the new speed creations for
next year.

Automobile prices are finding new
levels and the cars are every day
coming within reach of many thousands
people who have heretofore been un-
able to own one. The makers have
about reached the "last word" in car
building, equipment and decoration,
and before a new car is purchased,
what all makers have to offer should
be seen at the State Fair show, where
the different makes, standing side by
side, can be compared.

The show will be under a mammoth
tent, divided into three big sections.
Patrons of the Fair will see the auto
display without additional charge. A
concert band will give daily programs
at the auto exposition and there will
be many attractive features. More
than 150,000 people saw the State Fair
automobile section last year, and in
splendor this coming show will outrank
the first one. The new cars will be
seen at the Indiana Fair several
months before the winter shows are
held in other cities.

H. C. ALLEN QUILTS THE SCHOOL BOARD

RESIGNATION WILL BE PRE-
SENTED TO THE CITY COUNCIL
AT ITS REGULAR MEETING
THIS EVENING—LAST OF THE
REPUBLICAN APPOINTEES.

REASON; TOO MUCH WORK

H. C. Allen, for the past several
years a member of the city school
board, on Tuesday announced that
he would resign from the board. His
written resignation, in which he asks
that he be relieved from further school
duties at once, was presented to
the city council at its regular meeting
that evening.

Mr. Allen, at a reorganization meet-
ing of the school board recently, was
elected secretary of the board. In an-
nouncing his determination to quit the
board, Mr. Allen, that morning, stated
that his business duties had been in-
creased since his son, H. C. Allen, Jr.,
accepted a position in Chicago, and
that he found that he could not give
the time to the school work.

The resignation of Mr. Allen takes
the last Republican member from the
board. C. C. Gillen and A. J. Hamrick
are the newly appointed Democratic
members. The city council will have to
appoint another member to succeed
Mr. Allen.

Baptist Sunday School Picnic.

On Saturday, August 7, some en-
thusiastic members of the First Baptist
church and Sunday school met at
McLean Springs for their annual Sun-
day school picnic. The women talked
and tatted, the men kept up their
good-natured banter; the children
waded; while the young people as well
as the boys and girls indulged in
games. The vocabulary of a distin-
guished student could scarcely do
justice in describing the bountiful
dinner and the general good time
which ensued.

Card of Thanks.

We wish to thank our friends and
neighbors for their kind services,
sympathy and beautiful floral offer-
ings, during our recent bereavement
occasioned by the death of our father,
Joseph Friend.

Mrs. Ernest M. Darnell returned to
her home in Champaign, Ill., Monday
after an extended visit with her pa-
rents, Mr. and Mrs. Fernando O'Hair,
who reside north of the city. She
was formerly Miss Louise O'Hair.

ALMOST THREE INCHES OF RAIN FELL TUESDAY NIGHT

One of the hardest rains of the
year fell Tuesday night. The rain
began early in the night and continued
until morning. During the night two
and nine-tenths inches of the water
fell. A few weeks ago Greencastle
was visited by a downpour which
caused a miniature flood. On that day
4.93 inches of water fell. The rain
Tuesday night, although not as heavy
as the one a week ago, is an excep-
tionally heavy one. Many of the
smaller streams were out of their
banks this morning and the creeks
were slightly raised.

C. T. PECK WILL HEAR THE CASE AGAINST LON SMITH

Attorney C. T. Peck has been chosen
to act as special judge in the case
against Lon Smith, who is charged
with assault and battery with intent
to kill. Smith was arraigned in Mayor
Cooper's Court Monday morning, and
his attorney filed a change of venue,
which took the case from the mayor's
jurisdiction.

Five men were named by Mayor
Cooper. Prosecutor Sutherland and
Smith's attorney, John H. James, each
struck two names from the list and the
fifth man was selected as the judge to
hear the case. Attorney James, who
had the privilege of disqualifying two
of the men, first struck off the names
of George Wilson and C. C. Gillen.
Mr. Sutherland then disqualified Matt
J. Murphy and T. T. Moore and Mr.
Peck was named as the special judge.

Smith's hearing has been set for 9
o'clock Monday morning. The trial
will be held in the council chamber.
The affidavit charging Smith with as-
sault and battery with intent to kill
was filed by Charles Meikel, who was
attacked by Smith, when he attempted
to prevent Smith from injuring his
wife, with whom the latter had had
trouble. Meikel claims Smith made
several attempts to cut him with a
knife. Smith pleaded not guilty to the
charge when arraigned before the
mayor last Monday. He is the night
fireman at the Putnam Electric com-
pany and resides on Daggy street.
He is now under \$800 bond.

THE QUINCY PICNIC IS THURSDAY ATTRACTION

The annual picnic and home-coming
at Quincy was the attraction for
the picnicers of Owen and Putnam
counties Thursday. Many people from
this city and south Putnam county at-
tended the event. All Monon trains
carried extra coaches Thursday to
accommodate the picnicers and every
passenger train stopped there that
day.

The Quincy picnic is one of the
biggest events of its kind held in this
community and always attracts large
crowds.

FARM ESCAPE IS CAUGHT TUESDAY

STATE FARM ATTACHES RUN
DOWN LITTLE SLAV FROM
GARY AT KNIGHTSVILLE—TWO
POSSES OUT TO CAPTURE ONE
MAN RUN ON TO BOY WHO ES-
CAPED FROM FARM MONDAY
MORNING.

ARE LOOKING FOR ANOTHER

Mike Stolca, a Slav, aged 19 years,
sentenced to the State Penal Farm
at Putnamville, for criminal assault
on a four-year-old girl, escaped from
the farm Monday morning and was
captured Tuesday afternoon on the
road between Knightsville and the
National Road after a chase.

Two crews of attaches of the farm
were sent west to overtake one man
who escaped Monday. They had not
found him up to 3 o'clock that after-
noon, but Montgomery, Baldson and
Nestlehut caught sight of Stolca near
Knightsville and finally ran him down.
The little Slav was placed in the ca-
laoose and later taken to the farm.
Hazelett, Henderson and Workman
preceded the posse that captured the
prisoner. They believe they will find
the other fugitive.—Brazil Times.

CLAIMS AUTO DRIVER'S INEXPERIENCE CAUSES A HEAD-ON COLLISION

Alleging that inexperience of Ernest
Sears as an automobile driver was the
cause of an accident, in which his car
was badly damaged, Robert W. Flint,
who resides west of Brick Chapel, has
filed suit in the Putnam Circuit Court
through his attorneys, Allee, James &
Allee of this city, asking \$200 dam-
ages of Mr. Sears and his wife, Mar-
cena Sears.

The accident occurred northwest of
this city May 31, 1915, when the two
cars rounded a turn in the highway.
The machines met in a head-on col-
lision and both were badly damaged.
Flint claims that he sounded his horn
when he approached the turn and that
Sears failed to sound a warning. He
also alleges that Sears was running
his car at a high rate of speed and
that his inexperience in handling a
car caused him to lose control of the
machine. Sears resides here.

Mrs. Louisa Bettis, who was riding
in the Sears car, suffered severe
injuries. She recently filed suit
against Flint asking for \$5,000 dam-
ages. In this suit Mrs. Bettis blames
Flint for the mishap and claims that
it was his negligence that caused the
collision.

IVAN RUARK TO SUCCEED ALLEN

CITY COUNCIL ELECTS PROMI-
NENT YOUNG DEMOCRAT TO
MEMBERSHIP ON THE CITY
SCHOOL BOARD TO FILL VA-
CANCY CAUSED BY RESIGNA-
TION OF H. C. ALLEN—ELEC-
TION IS UNANIMOUS.

CHANGE NAME OF STREET

Ivan F. Ruark was unanimously
elected as a member of the city school
board to fill the vacancy caused by the
resignation of H. C. Allen, by the city
council at its meeting Tuesday even-
ing. Mr. Ruark will fill the unex-
pired term of Mr. Allen, which ends
August 1, 1916. Although efforts to
get in communication with Mr. Ruark
Wednesday were futile, it is thought
that he will accept.

Mr. Ruark is a farmer and resides
on east Washington street. He came
from Stilesville several years ago and
during the short period of time he
has been here, he has established a
wide acquaintance. He is one of the
most popular young men of the city
and is well qualified to hold the po-
sition as a member of the school board.
Mr. Ruark is a Democrat.

Mr. Allen, who has been a member
of the school board for the past five
years, tendered his resignation to the
council Tuesday evening, asking that
he be relieved of his duties at once.
His resignation was accepted, and
Councilman Charles Huffman nomi-
nated Mr. Ruark as a candidate for
the office. No other nominations were
made and his election was unanimous,
five councilmen voting for his elec-
tion, the sixth member, Roy Abrams,
being absent from the meeting.

The council adopted a resolution
which gives the county commissioners
the city's consent to make a street im-
provement which was petitioned for by
Ferd Lucas and others. The council
refused to give its consent to the
improvement at its last meeting, be-
cause no definite estimates of the
cost of the building of the street had
been made. No estimate of the cost
of the improvements was procured
by the council Tuesday evening but
arrangements have been made with
the county engineer in regard to the
grade of the streets and the plans,
which will soon be made. The city is
desirous of having the work done at
as small a cost as possible.

The improvement will be made from
a point in Greencastle township near
the home of Alec Lane, south of the
city, east to Indiana street, thence
north on Indiana street to Walnut
street, thence east on Walnut street to
Vine street, thence north on Vine
street to Washington street, thence
east on Washington street to a point
in Greencastle several hundred yards
east of the city limits.

The name of a street in the south-
west part of the city was also changed
by the council. Manassah street will
be known as Lincoln avenue hereafter.
A petition was filed with the coun-
cil, which asked that the name of the
street be changed, and was signed by
the following residents on that street:
Thomas Thompson, H. L. Jackson, E.
E. Fry, Eilen Atchison, Mary Darnell,
William Alspaugh, Roy Hill and M.
L. Darnell.

The date of the special meeting of
the council, which is to be held for
the purpose of hearing remonstrances
against the proposed improvement of
College avenue with sidewalks, curbs
and gutters, was changed by the
council from August 17 to August 30.

WELCOME LOCAL MOTOR PARTIES

REELSVILLE PEOPLE EXPRESS
THEIR APPRECIATION OF SUP-
PORT GIVEN THE ICE CREAM
SOCIAL AT THE METHODIST
CHURCH IN THAT TOWN BY
THE LOCAL BAND—LARGE
CROWD ATTENDS.

THIRTY MACHINES ON TRIP

The efforts of the Greencastle Boost-
er Club and the local band to make
the Reelsville ice cream festival at
the Methodist church in that town a
success Tuesday evening was greatly
appreciated by the people of Wash-
ington township. Although the dis-
agreeable weather conditions marred
the pleasure of the entertainment to
some extent, the festival was consid-
ered a success.

The band and about 100 people from
this city attended the festival, mak-
ing the trip to Reelsville in thirty
machines. Although this number was
small in comparison with the number
that attended other enterprises pro-
moted by other towns and churches
of the county, the showing was con-
sidered excellent when weather condi-
tions are taken into consideration.

The Reelsville church people pro-
vided for the entertainment of the
crowd in an excellent manner. A band
stand was erected on the south side
of the church and long tables were
built nearby. Chicken sandwiches,
pie, cake, ice cream and lemonade
were the refreshments served. The
band gave an excellent concert and
the musical numbers were greatly en-
joyed. A drizzle of rain caused many
of the people to take refuge in the
church and under the trees in the
church yard and great crowds left
early on account of the weather.

The Booster Club has made five
trips to festivals in neighboring
towns this summer and each time,
the weatherman has handicapped the
work of the organization. Rain or
cool disagreeable weather has inter-
fered with the trips on each occa-
sion. It is probable that the Booster
Club will discontinue the trips this
summer. Next summer, however, the
boosters expect to support entertain-
ments of that kind. All the trips
have been successful and the efforts
of the Booster Club have been ap-
preciated by the people in all the
neighboring towns.

MISS HOLLOWAY NOW SOUGHT BY CHICAGO

Miss Edith Holloway, former teach-
er of English in the Lebanon high
school, has been re-elected to teach
English in Portland, (Ore.) high
school next year. Miss Holloway gave
excellent satisfaction in Portland last
year. She is now in Chicago and has
deferred singing a contract for an-
other year at Portland pending de-
velopment of her prospects in Chi-
cago.—Lebanon Reporter.

Miss Holloway is the daughter of
Mr. and Mrs. A. N. Holloway of this
city and formerly taught in the
Greencastle high school. Mr. Hollow-
way said Wednesday that she had
accepted the Portland position and
that she would go there this fall.

CITY SCHOOL BOARD TO RE-ADVERTISE FOR BIDS

Believing that the bids for the heat-
ing and ventilating system for the
Greencastle high school are too high,
the Greencastle school board has de-
termined to re-advertise for bids.
There seemed to be a misunderstanding
among the contractors regarding
the amount of work to be done at the
school, and so the bids were high.
While awaiting the filing of new bids
the school board will go ahead with
the building of the air vents and
smoke stack. It is believed they can
save several hundred dollars in doing
this work themselves rather than to
let a contract to the heating con-
tractors to do the work. This work
was included in the former bids filed.

Charles F. Zeis has gone to French
Lick, where he will spend a week's
vacation.

BOUND OVER TO CIRCUIT COURT

**ALLEGED HORSE THIEVES
WAIVE EXAMINATION AND
PLEAD NOT GUILTY TO
CHARGES, WHEN ARRAIGNED
BEFORE JUSTICE OF PEACE
FRANK TODAY—CLAIM THEY
FOUND HORSE LOOSE.**

TELL DIFFERENT STORIES

Oscar Sutherlin and John Morgan, alleged horse thieves, who were taken into custody near Carbon Monday morning, charged with stealing a horse and buggy owned by John McCabe, Jr., of Clinton township, were arraigned before Justice of Peace Phillip Frank in the grand jury room of the court house August 5 at 9 o'clock. The men waived examination and pleaded not guilty to the charges. They were bound over to the Circuit Court and will have a hearing the first week in September.

Sutherlin and Morgan claimed that they did not steal the horse and buggy, but found the horse wandering loose near Mansfield and were taking it to Brazil, where they intended to leave it in care of livery men of that city. Both men stated that they had no intention of stealing the rig, but were taking it to a place where it could be "advertised."

The men were examined by Prosecuting Attorney W. M. Sutherlin separately. The general trend of their stories were about the same, but their explanations of the case differed greatly in the minor details. They testified that the horse was headed east at Mansfield and that they caught the animal and turned it around and started west toward Carbon, hoping that they would meet the owner.

The officers discredit the stories told by the men and are positive of their guilt. Sutherlin stated that he formerly resided in northwest Putnam county, but claimed that he had not been in that community for twenty years. His reason for being in that locality last Sunday, was that he was looking for work and hoped to get employment in the harvest field. The men claimed that they walked from farm to farm from Indianapolis to Mansfield in quest of work. Both testified that they had no homes, but were wandering over the country.

The horse and buggy was stolen from a hitch post near the Union Chapel church Sunday night while Mr. McCabe was attending the church services. He came here Wednesday and filed affidavits against the two men. Neither Sutherlin nor Morgan have procured counsels to defend them.

POPULAR YOUNG TEACHER SOON TO BECOME BRIDE

Miss Florence Rosemund Gamble, teacher of Domestic Science in the Greencastle schools last year, will on Thursday evening, August 19, at 7:30 o'clock become the bride of Percy Ira Allen, of Rochester, New York. The marriage will be solemnized at the home of the bride's parents, Mr. and Mrs. Charles W. Gamble, in Paulding, Ohio. Several Greencastle friends of Miss Gamble last week received invitations to the wedding. The bride-to-be is a most charming and talented young woman. During her stay in Greencastle she made a large number of friends with whom she was very popular.

MAYOR AND MRS. COOPER TO TAKE LONG AUTO TRIP

Mayor and Mrs. J. W. Cooper will leave about the middle of August for an automobile trip to Missouri, where they will visit relatives for a week or more. They will visit in a small town just south of Kansas City.

KANSAS WOMAN DIES WHILE VISITING NEAR BAINBRIDGE

Mrs. Susan Coverdill, 75 years old, died at the home of her sister, Miss Eliza Gent, southeast of Bainbridge in Monroe township at 8 o'clock Wednesday evening. Mrs. Coverdill's home was in Kansas and she was visiting her sister, when taken ill. Paralysis was the cause of her death.

The body was taken to Strong City, Kas., where the funeral services were held. The body was brought here on Friday and was taken to Kansas on the Big Four train leaving here about 10 o'clock.

ERNEST BROWNING BUYS STOCK; TO MOVE STORE

Ernest Browning, owner of the E. A. Browning Grocery store, has purchased from James I. Nelson and Asbury Manuel, the stock of groceries in the store at the corner of Washington and Vine streets, and within the next few weeks will remove his present store to the new location.

The store at the corner of Washington street and Vine street was originally opened by Richard Hazelett. Since he sold it it has changed hands several times. A few days ago Mr. Manuel and Mr. Nelson traded a farm for the stock.

Today Mr. Browning closed a deal by which he bought the store. The location is an advantageous one and so he will remove his present stock into the new location.

DEFECTIVE FLUE CAUSES FIRE WEDNESDAY NIGHT

A defective flue caused a blaze at the home of Thomas Thompson on Manassah street Wednesday evening at 7:40 o'clock, which destroyed the kitchen at the rear of the house and damaged one side of the frame residence structure. The loss, however, is covered by insurance.

Members of the Thompson family were absent from home, when the fire started. It is believed that the blaze had burned at least 10 minutes before it was discovered. An alarm was sent in to fire headquarters from Box 53 at the corner of College avenue and DeMotte alley, after the fire had gained much headway. The firemen were able to save the main part of the house and only the rear of the building, which was used as a kitchen was burned.

MORE IS PAID FOR GRADE TRANSFERS

OF THE \$3,681.40 PAID TO THE CITY OF GREENCASTLE LAST SCHOOL YEAR FOR THE TRANSFER OF TOWNSHIP PUPILS TO GREENCASTLE SCHOOLS, \$1,945 WAS FOR TRANSFERS TO THE GRADE SCHOOLS.

ONLY \$1,736 FOR H. S.

Greencastle Township Trustee Harry Talbott has supplied The Herald with the figures on the amount of money paid by the township to the Greencastle city for school transfers during the past school year.

In discussing the proposed joint high school question, the amount of money paid the city by the township for transfer of pupils has often been mentioned and generally the amount has been given as approximately \$4,000. The general impression is that amount was paid the city by the township for high school transfers.

This is not the case, however, according to the figures given by Mr. Talbott. Last year the township paid the city only \$1,736.40 for transfers of township pupils to the city high school. It also paid the city \$1,945 for the transfer of township pupils to the grade schools. The total of the amounts paid Greencastle for transfers is \$3,681.40. Greencastle township also paid to Monroe township \$52.40 for high school transfers.

The amount of moneys paid by the township to the city for grade pupil transfers would not be affected by the building of a joint high school. The high school transfer moneys would be affected, however. What action will be taken by the city council regarding the erection of a new high school building is still a question. The sentiment is growing for a city school, rather than a joint school.

Petitions which recently were circulated in the township and in the city asking for an election on the question of a joint school, have not yet been presented to the school board and township trustee. It is said that these petitions may not be presented at all. Should the city decide to go ahead and build a high school of its own, then the petition will not be presented. Should the city decide not to build a high school, however, then the question of building a joint high school will be put to a vote in the township and city. Should the voters of the township and city vote to build a joint building, then the law requires that the joint building be erected.

Mr. and Mrs. John Gallion and Mr. and Mrs. Ed Dalby of this city motored to Crawfordsville in the Gallion machine.

FARMERS ALARMED OVER THEIR CROPS

**INCESSANT RAIN IN PUTNAM
COUNTY IS GREAT WORRY TO
FARMERS—OATS AND WHEAT
ARE BEGINNING TO SPROUT
IN SHOCK—HAY IN THE
FIELDS YET—MUCH HAY IS
SPOILED.**

LITTLE THRESHING IS DONE

Pessimistic reports are coming in from the farmers in the vicinity of Greencastle because of the incessant rains during all the harvest. Rain every day this week has caused another setback to harvesting and threshing. Acres of good hay stands in the fields. Alfalfa which was cut spoiled on the ground before it could be stored in sheds and reports say that some wheat and oats are beginning to sprout in the shock.

Comparative few farmers in the county have threshed and threshers are at least two weeks behind their schedule. Many farmers who cut their hay on one of the few days when the sun shone have treaded it every day since in an effort to keep it from moulding in the rows. A hay baler which pulled into a farm about two weeks ago, is still there, unable to proceed because of the wet hay.

The corn which withstood the big flood seems to be coming along nicely. One farmer said a record crop of corn could be had without another rain. The garden tomatoes are suffering because of the rains. The vines beat down to the ground lie on soft ground and many of the tomatoes rot before they ripen. It is believed that the field tomatoes are not yet affected by the wet weather.

Reports from over the state say the wet weather is general. At North Manchester, Ind., the business men of the town have taken steps to avert what threatens to be a heavy crop loss. Every available man who can serve as a harvest hand is registered at an employment bureau where he can be obtained by the farmers. Business men, bankers and factory hands are donating labor to the farmers to help get up the crops on the few dry days. It is estimated that less than one-half of the wheat in Indiana has been threshed.

MRS. GEORGE C. BUNTEN DIES SUDDENLY THURSDAY

Mrs. George C. Buntten, 76 years old, one of the best known residents of the eastern part of the county, died suddenly August 5 at 1 o'clock. Heart trouble was the cause of her death. She was stricken while at the dinner table and died only a short time afterward. Her husband and several children survive.

Terre Haute Man Paroled.

Governor Ralston Wednesday granted a parole to Oren Bennett of Terre Haute, who was sentenced to serve six months at the State Farm and to pay a fine of \$100 following his conviction in Vigo county on a charge of assault and battery. A number of prominent persons residing in Terre Haute signed the petition presented to the Governor for Bennett's release.

DEATH CLAIMS A PROMINENT YOUNG BUSINESS MAN FRIDAY

Harry M. Sheppard, 33 years old, one of Greencastle's prominent young business men, died at the home of his parents, Mr. and Mrs. G. R. Sheppard, at the corner of Larrabee and Indiana streets this morning at 11:15 o'clock, after six months, but was confined to his bed only three days. Diabetes was the cause of his death.

Mr. Sheppard has been engaged in business in Greencastle for the past several years, owning a half interest in the Mission pool and billiard room on the east side of the square. During the time he was in business he made many friends here through his excellent business qualifications and pleasing manners. He is survived by his father and mother, one sister, Mrs. J. K. Bruner of Columbus, O., and one brother, William M. Sheppard, also of Columbus.

A GREENCASTLE INTERVIEW.

Mr. Woods Tells His Experience.

The following brief account of an interview with a Greencastle man three years ago, and its sequel, will be read with keen interest by every citizen:

Geo. W. Wood, farmer, Greencastle, says: "For years I had disordered kidneys. I suffered from severe pains in my back and a too frequent desire to pass the kidney secretions caused me annoyance. I finally got Doan's Kidney Pills at Jones, Stevens Co.'s Drug store and less than one box relieved me. I am now well."

OVER THREE YEARS LATER Mr. Wood said: "Doan's Kidney Pills are a fine medicine. I willingly confirm all I said in my former endorsement."

THE ENGAGEMENT OF MISS DAISY STAUCH ANNOUNCED.

At a pretty thimble party at the home of Mr. and Mrs. Fred Thomas on Hanna street Friday evening announcement was made of the engagement of Miss Daisy Stauch, a popular young lady of this city, and Herman Makey of Chrisman, Ill. Twenty-four members of the S. C. C.'s and the LeGam Club, of which organizations Miss Stauch is a member, were present to enjoy the occasion.

The Thomas home was prettily decorated in yellow and white, that color scheme being used throughout the evening. The announcement of the engagement was made on the back of the favors, which were given after a dainty course of refreshments had been served.

Miss Stauch is the daughter of Mrs. W. J. Hunt of Cavour, South Dakota, but has made her home here with her aunt, Miss Delilah Miller, and her sister, Mrs. Fred Thomas. She graduated from DePauw university in 1914. Mr. Makey attended DePauw also, receiving his degree in 1914. He was prominent in DePauw student activities during the time he attended school here and made many friends in this city. The wedding will occur August 25.

"JIMMY" DAVIS IS A CANDIDATE

BRAZIL MAN, WELL KNOWN IN GREENCASTLE, HAS ANNOUNCED HIMSELF AS SEEKING THE REPUBLICAN NOMINATION FOR CONGRESS—LOCAL MAN HAS BEEN MENTIONED.

IS THE FIRST IN FIELD

James B. Davis, of Brazil, is the first Republican to announce himself as an active candidate for the Republican nomination for Congress in the Fifth District. The official announcement of his candidacy was made in Brazil Wednesday.

It is believed that, in the absence of Jack Bryson, big boss of the G. O. P. in the Fifth District, who is at a Michigan summer resort, Davis slipped one over. Bryson, it is generally believed, has been grooming Ben F. Corwin of Greencastle, one of the wheel horses of the old G. O. P. organization in the district, for the congressional nomination.

Davis, who is a young man, probably thought to get into the race, while the getting was good, and, so without the sanction of the Big Boss, and during his absence, announced his candidacy. Bryson being a Clay county man probably will have to do some political twisting to get the support of his own county away from the native son and lined up for the ring choice.

Davis is well known in Greencastle, where he attended DePauw. The Brazil Times in announcing his candidacy, says: "Mr. Davis is primarily a business man. He is a banker of Brazil and is active vice president of the Davis Trust Company, and is also interested in a number of other business interests. Mr. Davis is well prepared for the office to which he aspires."

"He was born in Knightsville, Ind., Clay County, but his family moved to Brazil when he was a boy and he attended the Brazil schools. Later he attended Culver Military Academy, where he received an academic education and also a valuable military training. He did his collegiate work at DePauw University at Greencastle and did his post-graduate work at Harvard in the law department of that institution."

PICNIC TO BE IN HAZELETT GROVE

**MANAGER OF HOME-COMING
HERE AUGUST 31, ANNOUNCES
THE SITE OF THE BIG ATTRACTION—IS ON INTERURBAN
LINE EAST OF THE CITY.**

PLAN FOR ADVERTISING

The Greencastle picnic and homecoming, which is being promoted by the members of the band of this city, will be held in the Hazelett grove east of the city, according to a statement made this week by Charles D. Conklin, manager of the attraction. The date for the picnic is August 31. McLean Springs and the DePauw farm were sites considered for the picnic.

The promoters of the home-coming are desirous of making the attraction the biggest of any attractions of its kind given in the county. One big feature attraction, the nature of which has not been made public, is being planned. Concessions will be sold to stand owners and picnic attractions within the next two weeks.

The advertising campaign opened Saturday, when local promoters will billed the event at Stilesville picnic. Huge posters will be tacked up all over the county and surrounding towns and dodgers distributed in the crowds at the numerous entertainments in this community.

The Hazelett grove is located just east of the city near the tin plate mill. It is on the interurban line and is an ideal place for a picnic. Plenty of room, good water and shade make the Hazelett grove an excellent picnic site.

COUNTY FARM WHEAT GRADES 61 POUNDS TO THE BUSHEL.

John Clark, superintendent of the county farm, four miles east of Greencastle, raised 451 bushels of wheat on 15 acres of county house land this season which graded the highest of any wheat received at the Harris Milling Co., mill. The wheat weighed 61 pounds to the bushel, which is exceptionally heavy wheat. Mr. Clark, also has four yearling short horn heifers at the farm, which are exceptionally fine ones. The heifers were raised on the farm. Recently he was offered \$60 a head for them.

FRESH FISH IS GREETING TO NEW STATE FARM PRISONERS

"Boys, I'm leaving for a sixty-one days sojourn at that little farm up by Putnamville," said Charles "Red Top" Anderson this morning as he and Sheriff Jones boarded the train north. "Red Top" had violated his solemn promise to be sober for sixty days and was sent to the state farm to serve his sentence of \$1 and sixty days.

On Tuesday "Red Top" promised the mayor that if he would turn him loose that he would never touch another drop. But that old craving took hold of him and last night he was seen drunk as a lord and drawing pictures on the sidewalk in front of the Harris Grand theatre. "Red Top" joins the Bloomington colony there and will be hailed with the cry of "Fresh Fish" as he steps off the train, for this is the customary greeting to newcomers.—Bloomington Daily World.

Mrs. Robert Longden and children went to Paoli Saturday, where they will visit relatives for a week or ten days.

Slow milling means quality.

If you would look into a mill where Valier's Enterprise Flour is made, you would see how slowly the work is done—so slowly that the flour seems to float from the white heart of the wheat kernels. We could make it faster; but it wouldn't be nearly so fine; nor bake nearly so nice.

Valier's Enterprise Flour

Valier's Enterprise Flour sometimes costs a little more by the sack; yet because it goes so much further in baking, it really costs less; and then bread made from Valier's Enterprise Flour is always whiter, lighter, tastier and more nutritious and stays sweet and moist longer. Get acquainted with this superior flour today—your grocer will supply you.

"LITTLE DICK" WERNEKE BADLY INJURED IN FALL

Prosecutor Richard A. Werneke is at St. Anthony's Hospital in a critical condition as the result of a fall at noon Sunday down a steep embankment at the Shades of Death. Mr. Werneke was assisting a young woman of his party to cross Lovers' Gap when he lost his balance. He rolled about 100 feet and was precipitated from a cliff across a stream 20 feet below. He was cut and bruised from head to foot, and Sunday night attending physicians were uncertain as to the outcome of his injuries.

His most serious hurt was bruises about the head. It was not known Sunday night whether or not the skull was fractured. Attendants at the hospital said that this was not probable, but an X-ray test was to be made Monday morning, it was announced.

Werneke was brought to the hospital about 5 o'clock Sunday evening. He was in a dazed condition, and had been according to members of the party, since the accident. However, he did not lose consciousness. This fact prompted his physician to believe that his injuries were not unusually serious.

The party left early Sunday morning in the Werneke automobile to spend a day at the Shades. It included Mr. and Mrs. Werneke, Leon Rausch, former Circuit Court stenographer; Margaret Wall, stenographer in Mr. Werneke's office; Mrs. Hilton Redman and Frank Redman, chauffeur.—Terre Haute Star.—H. S. Werneke of Greencastle was called to Terre Haute Sunday on account of the injury to Mr. Werneke.

A SMALL CROWD ATTENDS SOCIAL

ABOUT 25 MOTORISTS, CONSISTING THE GREENCASTLE BOOSTER DELEGATION WHICH ATTENDS THE ICE CREAM FESTIVAL AT NEW PROVIDENCE CHURCH THURSDAY EVENING—CHURCH PEOPLE ARE HOSPITABLE.

WEATHER MAN TO BLAME

Although only a small number of machines made the booster trip to the New Providence ice cream festival south of Mt. Meridian Thursday evening, in comparison with the number of cars that toured to Union Chapel and Fincastle, the small crowd and cool weather failed to decrease the amount of enthusiasm that is always manifested on such occasion. About thirty or thirty-five machines made the trip from here.

The weather man put a crimp in the ice cream sale, but the demand for fried chicken was great. It is said that the New Providence people cleared only a small amount of money. The disagreeable weather "bluffed" many motorists, but the ones who braved the cool breezes spent a very enjoyable evening.

The New Providence people were very hospitable and made every effort possible to entertain the people who attended the festival. The band furnished a very pleasing concert and its efforts were greatly appreciated. A large basket filled to the brim with chicken sandwiches, was a portion of the refreshments served the members of the band.

Mr. and Mrs. William Steele spent Sunday with relatives in Bainbridge. Mr. Steele is employed with the local transfer company.

MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound and according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

HAMRICK NOW ON STATE COMMITTEE

GREENCASTLE MAN APPOINTED TO SUCCEED JAMES L. RANDEL AS CHAIRMAN OF THE FIFTH DISTRICT DEMOCRATIC COMMITTEE—NEW PRIMARY LAW CAUSES CHANGE.

FIRST MEETING AUGUST 21

(By Willis S. Thompson.) INDIANAPOLIS, Ind., August 6.—Chairman Bernard Kirby following the established rule and acting under instructions from the last meeting, has announced these new members of the Democratic State Central Committee to fill vacancies brought about by the provisions of the new primary law.

Third District—Bomar Traylor.
Fifth District—Arthur Hamrick.
Ninth District—William R. Dunham.
Eleventh District—Frank Butler.
Thirteenth District—Rudolph Ackerman.

The member of the Tenth District, succeeding Charles J. Murphy, will be named later.

A meeting of the State Central Committee has been called at the Denison Hotel, Indianapolis, at 10 o'clock, August 21. United States Senators and Congressmen, the Governor and other state officials, with other prominent democrats of the state will be asked to be present.

There will be further discussion of the provisions of the new primary law and the new rules of the state organization, conforming to the new law, will be completed.

Mrs. Fannie Anderson and daughter, of Chicago, arrived here Saturday evening for an extended visit with the former's sister, Mrs. Ewing McLean.

DRIVES CAR IN DITCH TO AVOID A COLLISION

When Andrew Hanna of this city, the driver of a Ford touring car, attempted to turn out of the road to avoid striking a buggy his machine went over an embankment and turned over in the ditch on the Bainbridge road several miles north of this city Wednesday night. Mr. Hanna and Jesse Hughes, who was also riding in the car, escaped injury. The machine was not damaged.

Mr. Hanna and Mr. Hughes, undertakers, were returning to this city about midnight from the northeast part of Monroe township, where they had been called on a business trip. The driver of the rig, which the Hanna machine approached, is believed to have been asleep and he failed to turn out of the road. Mr. Hanna turned his car out of the road to avoid striking the buggy, and the machine went over the embankment. The car was righted and with the aid of another car from a local garage, was pulled out of the ditch.

ANNUAL NEWGENT FAMILY REUNION ON AUGUST 18

The fifteenth annual reunion of the Newgent family will be held on Wednesday, August 18, at the Dr. Newgent grove, on the Clinton Falls and Rockville gravel road, west of Morton. This reunion is one of the most enjoyable held in the county each year and a large crowd is expected.

KAPPA SORORITY WILL OCCUPY O'HAIR HOME

The Kappa Kappa Gamma sorority, which for several years has occupied the property at the corner of Bloomington and Anderson street, owned by Mrs. W. W. Tucker, has leased the beautiful residence of Mrs. Blanche Goodwine O'Hair, at the corner of Washington and Locust streets, and will occupy it hereafter. The lease is for a term of three years. Mrs. O'Hair is to give possession September 1. Mrs. O'Hair expects to spend most of the winter in Florida. It had been previously announced that the Kappas had rented the Campbell home at the corner of Seminary and Arlington street, but the deal was not closed.

HOWARD HARRIS AND LEW SHANK AS JUDGES AT FAIR.

Lew Shank, formerly mayor of Indianapolis; Howard Harris, of Greencastle, and Col. A. G. Madden, of Cates, Ind., have been selected to serve as judges of horses exhibited at the Clinton county fair, from August 17 to 20, inclusive. The selection of the judges was announced Friday by W. B. Walsh, superintendent of a horse department.

The judges are well qualified for the work, and the fair association is to be congratulated upon their selection. Horse owners exhibiting at the fair will be assured of absolutely fair treatment, and skilled judging.—Frankfort Crescent.

Nehf Sold to Braves.

TERRE HAUTE, Ind., Aug. 4.—Art Nehf, pitcher for the Terre Haute Central League club, has been sold to the Boston National League club and will report to Manager Stallings tomorrow at Chicago. Nehf is a Terre Haute boy and is one of the leading left-handed pitchers of the circuit, leading all in strikeouts. His present record is nineteen games won and ten lost and 218 strikeouts.

Nehf formerly pitched for Rose Polytechnic and has opposed the De Pauw team in many games played on the local diamond.

HIBBS THROWS HAT IN RING

ANOTHER BRAZIL MAN HAS ANNOUNCED CANDIDACY FOR REPUBLICAN CONGRESSIONAL NOMINATION — ANNOUNCEMENT OF OTHER CANDIDATES IN EFFECT TAKES IT FOR GRANTED ROY SHATTUCK WILL NOT BE IN A POSITION TO ASK FOR A RENOMINATION FROM PARTY.

ROY SHATTUCK IS IGNORED

And still they come! James T. Hibbs, a well known Brazilian, and former Bull Moose, announced today that he had tossed his hat into the Republican Congressional ring, and was ready to fight to the end for the nomination.

Hibbs is the second Brazil man within three days to announce his candidacy for the Republican nomination for Congress for the Fifth District, following on the heels of the announcement of James B. Davis, which was made Wednesday.

Mr. Hibbs has been a resident of Brazil for a number of years, and is a highly respected citizen. He has been admitted to the Clay county bar but has not actively engaged in the practice of law as yet. In announcing his candidacy, Mr. Hibbs said that at the proper time he would issue a statement setting forth the fundamental principles of his political faith and the economic policies for which he stands.

Mr. Hibbs has recently entered the literary field and has arranged for the publication of his writings in the near future. Mr. Hibbs says that he expects to use the money derived from the sale of his books in his campaign for the nomination next spring. He claims he has made a comprehensive, scientific and conscientious study of the principles of government, statesmanship and the economic and moral questions of the hour and is well fitted to represent the people in Congress.

There has been much comment on the street over the announcement of the two candidates for the Republican nomination for Congress in view of the fact that many people believe that R. L. Shattuck is entitled to a renomination should he desire it. The announcement of these candidates in effect takes it for granted that Roy will not be in a position to ask for a renomination for Congress or that he does not desire to make another race.

Friends of Roy say that these candidates are mistaken and they assert that he will ask a renomination if he is acquitted of the charge of election conspiracy at the fall term of Federal court. Shattuck is to stand trial on the charge of trying to buy his way to Congress by the alleged attempt to corrupt the election boards in the notorious sixth ward at Terre Haute.—Brazil News.

THE GROCERYMAN WHO DISAPPEARED RETURNS.

Frank Cobble, the south Greencastle groceryman, who disappeared from this city several weeks ago, returned Friday night and said Saturday that he would make arrangements for the opening of his store. Mr. Cobble also stated that he would endeavor to straighten out his financial tangles, which are believed to have been the cause of his action, and continue in business.

Cobble left Greencastle without making any arrangements for the care of his place of business in south Greencastle. A suit was filed in the Putnam Circuit Court by an Indianapolis wholesale concern asking that the store be placed in the hands of a receiver. He was indebted to a number of wholesale concerns. Cobble has been in Oklahoma City since his departure from here. It is said that he has a paying business. Although Cobble has made no statement explaining his action, persons who have investigated the matter are inclined to believe that his financial tangles caused him to leave the city.

EPIDEMIC OF TYPHOID FEVER IN CLOVERDALE

An epidemic of typhoid fever in Cloverdale is alarming the residents of that town. So far seven cases have been reported. Among them are William O'Daniel, a son of J. W. O'Daniel; Mrs. Hattie Gorham; a daughter of Mr. and Mrs. Joe Rogers; a daughter of Mr. and Mrs. J. B. Burris; a son of Mr. and Mrs. Dora Hurst; and a son of Mr. and Mrs. Lafa Hood.

NAME MEN TO HAVE CHARGE OF OLD SETTLERS' PICNIC

Ross Runyan, Burl Hurst and Alva Bryan are three members of the Greencastle band, which organization is promoting an Old Settlers' Picnic and Home-coming here August 31, who have been appointed as a committee to aid Charles D. Conklin, manager of the band, in making the arrangements for the big event.

Permits for stand concessions will be sold by the three committeemen and the advertising campaign will be managed by them. The promoters of the picnic hope to make the entertainment the biggest event of its kind ever held in Putnam county. The picnic will be held in the Hazelett grove east of the city on the interurban at Stop 29.

STILESVILLE PICNIC IS BIG ATTRACTION SATURDAY

The annual Stilesville picnic and home-coming attracted many people in Hendricks county and the east part of Putnam county Saturday. Reports from there that day were that a big crowd had gathered at the picnic grounds and that the picnic was a big success. Among those who attended the picnic from here were: Ross Runyan, James Walker, Alva Bryan, Glenn Scobee, Gilbert Scobee, Miss Blanche Statton and Miss Garnet Sackett.

CIRCUS TICKET SELLERS WORK SHORT CHANGE GAME

There was much complaint in Greencastle Wednesday regarding ticket sellers with the Robinson's circus attempting to, and short changing, purchasers of tickets. It seems that the circus has left behind it in Indiana a trail of complaints.

According to reports received by the Noblesville police the short change racket was worked quiet freely on the circus grounds Monday afternoon. The officers received complaints from several persons who claimed they had lost money on the old scheme but of course, they did not have sufficient evidence to justify making arrests and the authorities had to pass up all kicks, though they would like to have pinched somebody. In this plan of robbery it is one man's word against another and with no marked money as evidence conviction of the person working the swindle is out of the question.

Late in the afternoon a man and his wife called at the sheriff's office and said they had been short changed \$4 and asked Sheriff Wodell to go up and arrest every one connected with the circus. The parties were strangers to the sheriff and he did not learn their names.

The Lebanon Herald says:

"The ticket seller in charge of the reserved seats at the Robinson show which exhibited here Tuesday kept local purchasers who presented large bills, busy securing the right amount of change. On every occasion possible the patrons of the seats, with pillows that cost 10 cents, were short changed. Winson Jones and Rush Robison were two of the intended victims, but they made things so lively around the ticket booth that the ticket seller coughed up.

"In Robison's case he tried to beat him out of \$10 and refused to refund until threatened with arrest. Then he graciously said out of sympathy he would just give them the amount of money they asked for."

DINNER STORIES.

At a revival meeting held in Nauvoo, on the Mississippi river, one summer, old Captain Higgins strayed into the camp grounds, and before he knew it found himself pretty well forward among the "mourners." The captain, who has been a river pilot for over thirty years, is troubled with weak eyes, and in consequence has frequent recourse to a big red handkerchief. One of the active brethren of the meeting noticed his apparent interest in the proceedings, and thought he had hooked a convert. So he approached the old weather-beaten pilot, shook him warmly by the hand and said:

"Well, Brother Higgins, how do you feel?"

"Tough; how do you pull through in this damned hot weather?"

The teacher of a night school in Chicago are endeavoring to instill in the minds of some of the discouraged pupils some notions of ambition.

"Do you know," he asked of a seely looking boy of twenty, "do you know that every lad in the country has a chance to be president?"

"Is that so?" asked the seely one, reflectively. Then he added:

"Say, I'll sell my chance for ten cents."

MAKE MIDNIGHT TRIP TO ARREST

MAN WANTED HERE TO ANSWER CHARGE IN MAYOR'S COURT. IS ARRESTED LATE FRIDAY NIGHT—HAD HID IN A GARRET.

IS FINED BY THE MAYOR

After making several unsuccessful attempts to bring Ray Wright, a laborer, who is working on a road in the north part of the county to justice, the local officers took Wright into custody Friday night about 10 o'clock, when they surrounded the home of James McGaughey in Russell township, just west of Fincastle, and searched the house. Wright attempted to conceal himself, but was pulled out of his hiding place in an attic at the McGaughey home.

Wright was brought here and lodged in jail over night. He was arraigned before Mayor Cooper Saturday morning and filed \$5 and costs, amounting in all to \$15 for contempt of court. He paid the fine. Wright was arrested several months ago for intoxication and was released from jail when he promised to appear in court to testify as the prosecuting witness against Beryl Mathews of this city, who was charged with intoxication. He failed to appear, however, and the officers have been looking for him since. They made a trip to the north part of the county several weeks ago, but failed to find Wright.

His arrest Friday night resulted after a carefully planned search of the McGaughey home. The man was shielded by Mr. and Mrs. McGaughey, and they told the officers that Wright was not in the house. The officers surrounded the house, while Marshal Cooper and Prosecuting Attorney W. M. Sutherland searched the house. Wright was found hiding in the attic of the McGaughey home. He was brought here in a machine used by the officers.

BOYS ENTER STATE FAIR JUDGING CONTEST

Many Hoosier boys are availing themselves of the opportunity for seeing the best stock that will be shown at the State Fair this fall, by entering the Boys' Live Stock and Grain Judging Contest for which the State Board of Agriculture is offering premiums that are attractive.

Boys entering the contest will be given opportunity of seeing the best stock at the fair from within the big arena, a privilege which in itself is an advantage over the boy who attends the fair. On Tuesday, September 7th, 1915, at 8:00 a. m. the contest will be held. Boys who enter the contest will be allowed to pass their judgment on one class each of beef cattle, dairy cattle, horses, sheep, hogs, white corn, yellow corn and wheat. They will place and write reasons for their placing on each class and will be graded upon the basis of their answers.

The winner of the contest will be awarded a scholarship in the Purdue School of Agriculture worth \$100.00. Second, third and fourth premiums are scholarships of \$75.00, \$50.00 and \$25.00 respectively. Any boy in the state between the age of sixteen and twenty years inclusive is eligible to enter the contest, provided he has not been enrolled as a regular student in any school of agriculture. Any boy who expects to enter any course in the Purdue School of Agriculture within one year after the contest should enter this contest. Entry blanks and information regarding the contest may be obtained from Charles Downing, Indianapolis, Indiana. Information concerning the courses of study at Purdue may be obtained by writing to Purdue School of Agriculture, Lafayette, Indiana.

S. A. Hays a Candidate.

The Bay View notes in the Indianapolis Star on Sunday, has the following:

"Silas A. Hays of Greencastle is here with his family and is a candidate for a trustee of the Bay View Camp Ground Association."

Jacob McCurry was in Cloverdale this afternoon to attend the funeral of Dayman Fultz this afternoon.

Splendid for Constipation.

OBITUARY.

W. H. H. Tuttle was born July 15, 1839, in Hamilton county, Ohio. He was a son of Thomas and Elizabeth Tuttle. When quite young he, with his parents, came to Indiana and lived and worked until the year of 1867 when he enlisted with the Union army. He was a member of Company I, 26th Indiana Volunteer Infantry. He served almost four and one-fourth years and re-enlisted with his regiment. He was a good soldier, always being at the post if possible. After his army service he returned to Hancock county, Indiana. In the year 1866 he was united in marriage to Virginia F. Smock, who, with nine children, still remain. To this union thirteen children were born, nine boys and four girls. There are Louis F., Orville S., William C., Alva E., H. C., Thomas J., Earl B. and E. S., Olive, Grace, Fannie and Carrie E. awaits him on the other shore. In the year 1874 he united with the Presbyterian church of Acton, Ind. Mr. Tuttle was very loyal to the church, always putting that first. He was a member of the Mason lodge and for several years was affiliated with the Monon lodge, No. 469. He was an active member of the G. A. R. and took an active interest in the affairs of the country and the community in which he lived. As a neighbor there was none ever better, always ready with a willing and helping hand. His affliction covered several months and his sufferings were most intense at times. He was always satisfied with what was being done for him. He was honest in all of his dealings. He leaves a host of friends to mourn his demise.

OBITUARY.

Isabelle Margaret Vickers, daughter of Abraham and Nancy Van Sickle, was born in Cloverdale, Indiana, on February 6, 1832, and departed this life at the home of her daughter, at Peoria, Ill., August 2, 1915, at the age of 83 years, 5 months and 27 days. She was united in marriage to Addison B. Vickers December 25, 1853. The ceremony was performed by the Rev. Thomas Evans. To this union was born eight children, who all are living except one son, Abraham. Her husband, one son and four grandchildren have preceded her to the great beyond. Her husband died April 29, 1902 and her son, Abraham, August 6, 1905. After the death of her husband she made her home with her children. She was converted at a Methodist camp meeting and united with the Methodist church at the age of fifteen years and lived a true and devoted christian for more than sixty-eight years. She said the way grew brighter and she loved to read the Bible. She attended church and Sunday school regularly until her health and age would not permit. Logan and one brother, Johnson A. Van Sickle of Wichita, Kansas. Her funeral was conducted by the Rev. H. A. Bailiff of Indianapolis. The 14th chapter of St. John was the text used at the services. The body was laid to rest by the side of her husband in Mt. Jackson cemetery. Mother's sorrows are all over, And her joys have just begun. Jesus knew her many burdens, And He came and took her home. Mother now you are united With the loved ones over there And the brightness of our Savior Makes the heavenly home fair. Mother dear we shall meet you Over on the other shore. We shall then be united Where partings are no more.

APPEALS CASE TO THE PUTNAM CIRCUIT COURT

After having been fined \$20 and costs in Justice of Peace Phillip Frank's Court Thursday afternoon, C. R. Dulin, through his attorney, Ben F. Corwin, filed an appeal in the Putnam Circuit Court, asking that his sentence be commuted. He was found guilty of assault and battery when tried before Justice Frank.

The affidavit charging him with assault and battery was filed in Justice of Peace Frank's Court by Frank Bachart, a tenant on the Dulin farm south of the city, who alleges that he was attacked by Dulin and struck with a club. The case was heard Thursday afternoon. Attorneys W. M. Sutherland and Fayne S. Hamilton prosecuted the case and Ben F. Corwin represented Mr. Dulin.

SOME HIGH FINANCE IN MARION COUNTY. (By Willis S. Thompson.)

INDIANAPOLIS, Ind., Aug. 10.—It looks like another grand jury might, with some profit to the taxpayers, do some investigating of the "investigators" who are attached to the office of the Marion County prosecutor.

When the prosecutor presented a request the other day for a special appropriation of \$25,000, in addition to the previous \$5,000 special appropriation and some \$3,000 witness fees already spent in the election "cases," the county council asked for an itemized statement, "since the law requires it." Rucker said he thought this would be impossible, but the next day it had been figured to the penny and the \$25,000 was allowed at a special meeting of the council.

Here are some of the items in the list: Legal assistance \$7,500. This no doubt refers to Joe Roach, who told the court that he "drew the indictments." Anyway, since the grand jury, under guidance of the Roach-Smith-Rucker combination spent part of its time prying into the private affairs of substantial and respectable business institutions, getting information of interest to Delavan Smith, why should not Smith pay this bill personally?

For special judge there is an allowance of \$500, which would seem little enough, but the special bailiffs get \$1,000, although there is a small army of these gentry on the county pay roll now, enough to run several counties the size of Marion.

But the interesting item is \$3,500

for "special investigators," \$9,000 for the "expense of investigators," together with \$500 "automobile hire" and \$100 for "automobile maintenance." Usually the taxi man provides the maintenance. Just what this \$13,000 is to be used for the county council did not ask. But the taxpayers might want to know.

Since the "investigation" was supposed to have been conducted with the original \$8,000 including witness fees, and the indictments have been returned, the people wonder what "investigation" is now necessary that should require \$3,500 in salaries of investigators, \$9,000 for their expenses and \$600 for their automobile hire. They have already heard some 2,000 witnesses which were paid from "regular" funds. The only expenses now seeming necessary is for trial. After all, another investigation of the expenditure of the \$25,000 may be an interesting event.

The county council did not take into consideration that two judges now have under advisement motions to quash the indictments. Neither was the question asked if, after returning the indictments, they were to be allowed \$25,000 more of the people's money with which to attempt to justify the indictments. It is also quite unusual to make large special appropriations for the purpose of "procuring the attendance of witnesses." The processes of the court are usually quite effective and the witness and sheriff fees do not ordinarily call for \$25,000. These draw their pay from "regular" funds.

THE JUNIOR CHAUTAUQUA.

An Excellent New Feature This Year.

Numerous questions are being asked about the Junior Chautauqua which will be held in connection with this year's Chautauqua. An experiment was made of this feature a few places last year. It proved such a success that several companies have made it a regular thing this year. It is in harmony with the new era of education for the children of America. They need to play and to know how to play. A graduate playground expert will be here throughout the chautauqua to direct this valuable work

among the children.

The first event of the program this year will be a play festival Saturday night in which all the children of the city may take a part. Any parents or adults who desire to do so may witness the games of the children at the big tent without charge. Thereafter every day except Sunday this superintendent of playgrounds will have the junior chautauqua from 8 to 11. This will be for all juniors between the ages of 12 and 15 who hold season tickets. In the afternoon following the musical part of the program the superintendent will take charge of the children under eight or thereabouts and tell them stories, teach them games and songs, thus relieving the mothers of their care for the lecture part of the program and at the same time giving the children something they like and something that will help them. Thus mothers with children that could not be kept quiet for two hours in the chautauqua tent need not be deprived of the enjoyment and the benefit of the chautauqua.

One other feature should be mentioned. On the last day of the chautauqua the juniors will give a public exhibition of games which they have learned through the week. This feature of the program was not in the contract. The company gives our children this advantage, which will make the total good to the city greater.

The finest hand-painted plate in the world—the decision being that of no less an authority than the committee of scrutinizing judges at the Panama-Pacific Exposition—is the work of Miss Clare Williams, 2360 North Illinois street, one of the youngest artists in Indianapolis.—Indianapolis Star.—Miss Williams was with Mrs. Blanche G. O'Hair of this city when she conducted a studio in the Propyloem in Indianapolis a few years ago. She did the designing and china painting and Mrs. O'Hair the wood-carving and tapestry painting.

Mrs. Columbus Alspaugh and Mrs. George Ensign and children have returned to their homes in this city from Cataract, where they have visited relatives for the past week.

BREAD-MAKING

Some women consider bread-making a part of housework to be avoided. The reason probably is that their idea of bread-making is based upon the old laborious method known as the slow rising process.

In the quick-rising process, bread can be made easily in from three to five hours' time, according to the amount of yeast used. Here is a recipe for making bread by the quick-rising process, which will make four standard sized loaves. If only two loaves are desired, use just half the quantities:

One quart liquid (water, water and milk, milk); two level tablespoons sugar, three level tablespoons butter or lard, two level teaspoons salt, $\frac{1}{4}$ cake to 4 cakes compressed yeast, approximately three quarts of flour.

Place the sugar, salt and shortening (lard or butter) in the mixing bowl. Put the yeast in a small amount of water to soften. Heat the milk or other liquid to scalding point and pour it over the three ingredients in the mixing bowl. Allow the mixture to cool to about 72 degrees. When the temperature is right, add the dissolved yeast. If the liquid is too warm, there is danger of killing the yeast and making soggy, sour bread.

Add the flour a little at a time, beating the mixture thoroughly. When it is too stiff to beat any longer, place the dough on the bread board and begin kneading, adding flour gradually. Flours differ in powers of absorption and it is not always possible to name the best amount to use. Make it a point always not to use all the flour specified unless you find it necessary. Soft dough makes tender bread. When the dough will not stick to the fingers in kneading, enough flour has been added and it is stiff enough to use. If the dough is too stiff, it will rise slowly and may be dry after baking.

The mixing and the kneading have a great deal to do with the texture and quality of the bread. Thorough mixing distributes the yeast evenly through the dough. Kneading adds the oxygen from the air, which is necessary for proper rising. Bread should be kneaded until the dough is smooth in appearance and has a satiny gloss on the surface.

Clean the mixing bowl and grease with butter. Put dough in the bowl and cover with a plate or lid. As the proper temperature for the working of the yeast is from 70 to 72 degrees, the dough should be kept near this temperature while rising. If you have no thermometer, feel the dough. It should be slightly warm to the touch—the rising must not continue too long—only until the dough reaches double its original size. When it has risen sufficiently, knead it down thoroughly to break up the bubbles in the dough and distribute the gas evenly through it.

After the second thorough kneading, the dough may be divided into loaves, shaped and placed in the pans for its second rising. When once more it has doubled in size, it is ready for the oven. Bake in individual pans for about one hour and fifteen minutes. It should be so thoroughly baked that when pressed upon it will immediately spring out upon release of pressure. The color should be golden brown, top, sides and bottom. When cut, it should have a soft, velvety texture. It should slice smoothly, without crumbling. The holes should be numerous and small. Occasional large holes show insufficient kneading. The color should be of a slightly creamy white.

TERRE HAUTE MEN SEEKING RELEASE

Habeas Corpus Suit is Filed in Behalf of the Men Convicted in the Election Fraud Case.

LEAVENWORTH, Kas., Aug. 10.—A habeas corpus suit asking the release of Harry S. Montgomery and John E. Green, convicted in the Terre Haute election fraud case and now serving terms in the federal penitentiary, was filed in the United States district court here late today.

Montgomery, who formerly was president of the Terre Haute board of public works, was sentenced to three years. Green was a merchant who served as an election inspector and was sentenced to two years.

The suit is said by attorneys to be the opening of a legal battle to bring about the release of the twenty-one Terre Haute men confined in the prison as the result of the election fraud case.

The petition alleges that the commitment papers are void because there is no valid judgment against the prisoners, that the indictment was not within the jurisdiction of the United States and only recognizable in the courts of Indiana, that the sending of letters inviting people to vote did not come under the federal penal code of making an improper use of the mails, as no attempt was made to secure money or property by fraud.

The date for the hearing will not be fixed until the return here of Federal Judge John Pollock, who is out of the city. It is expected the hearing will be held the last week of August or early in September.

INSTALL A CLIPPING BUREAU IN LIBRARY

The installation of a clipping bureau in the city library, is one of the greatest improvements which has been made at that building during the past year. Through the efforts of Miss Belle Hanna, city librarian, the material for the clipping bureau has been compiled. She has for the past several years saved interesting clippings and pictures from newspapers, magazines, and circulars. The material has been placed in a cabinet, catalogued and indexed ready for use. Information regarding many subjects is contained in the clipping bureau.

The annual report of the librarian for the year ending July 31, 1915, which was compiled by Miss Hanna is as follows.

Personal.

W. N. Steele, of Crawfordsville, was here Wednesday visiting Mr. and Mrs. W. H. Welch and family. He is Mrs. Welch's brother and formerly resided in this city.

Miss Vera Kelley left this morning for Elwood, where she will visit Miss Edna McClure for a few days. She will go to Bass Lake the latter part of the week to attend the Alpha Omicron Pi house party.

Mr. and Mrs. Charles Huffman of this city and Mrs. Ray S. Fellows of Tulsa, Okla., who is here as their guest, motored to Indianapolis Sunday, where they spent the day at Riverside park.

Wyatt James, an aged colored man, lost \$8 in money out of his pocket, Wednesday. Any one finding the money should see that the old man is notified as the loss is a great one to him.

The New Maysville picnic held Wednesday was largely attended and the great crowd enjoyed an eventful day. There were amusements galore and plenty of good things to eat. F. C. Tilden of Greencastle made the address of the day.

The Dobbs stock sale in the southeast part of the county Thursday attracted a number of local people. The sale was held at the Dobbs farm just west of Broadpark and was one of the largest that has been held in the county this season. The stock sold was owned by Albert Dobbs and Joel Dobbs.

The funeral of W. H. H. Tuttle, an aged resident of Clinton township, whose death occurred Wednesday morning, was held at the Dunkard church near Clinton Falls Friday afternoon at 2 o'clock. The services were in charge of Elder C. L. Airhart of this city. The burial was in the Dunkard cemetery.

Mrs. John Buis, who resides in Commercial place, east of town, was operated upon for appendicitis in the Methodist Hospital in Indianapolis last week. Dr. Noble performed the operation and the patient is getting along as well as could be expected according to reports from the hospital.

Frank Perry and daughter, Miss Stella, of Champaign, Ill.; Edward Perry and daughter, Miss Edna, of Decatur, Ill., and Mrs. Fannie Perry and Mrs. F. J. Walsh, of Lafayette, were here the guests of Mr. and Mrs. L. D. Snider and family. They came here to attend the reunion of the Perry family, which was held near Putnamville Wednesday.

Dr. W. M. McGaughey is minus a watch. And the physician believes that a "Dip," as the nimble fingered pickpockets are professionally known, has it. On Wednesday Dr. McGaughey went to Indianapolis. He sat in the same seat on the train with a chap who seemed very friendly. Shortly after leaving the train he missed his watch.

The annual reunion of the Perry family was held at the home of Mrs. Ellen Jones, two miles south of Putnamville Wednesday. About fifty members of the family were present at the reunion. Those who attended from this city were Rev. and Mrs. D. L. Vandament and family, Mr. and Mrs. L. D. Snider and family and Mr. and Mrs. L. T. Snider.

The 29th annual Sunday school picnic and home-coming was held at Poland Thursday. The picnic is one of the largest gatherings of its kind held in Clay county. Many people from south and southwest Putnam attended the picnic. The speakers who addressed the crowd were Dr. O. E. Kelley of Terre Haute and Rev. J. H. Tapp of Xenia, O. The Brazil band furnished the music.

Mrs. Mary Macey, 86 years old, one of Greencastle's citizens, suffered a broken hip last Thursday as the result of a fall she received at her home on Maple avenue. Mrs. Macey arose from her bed and lost her balance, and fell on the floor in such a manner that her right hip was fractured. She was attended by Dr. W. W. Tucker. Her condition is very serious, the shock of the injury being very severe on account of her advanced age.

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown. To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutrient gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol. Scott & Bowne, Bloomfield, N. J.

G. G. Buis, who resides east of the city, has joined the ranks of the Putnam county motorists and purchased a new Studebaker "4" five passenger touring car of L. H. Athey, the local agent.

Mr. and Mrs. J. Deitrick and daughters, Miss Helen and Miss Christine and Miss Jhonnie Stairwalt left on Friday for Richmond, Ky., where they will be the guests of Mrs. Deitrick's sister, Mrs. Edward Cornelson for a week.

Mr. and Mrs. Isaac Hammond and son, Ormond and daughter, Miss Irene, left Friday morning for a motor trip through the northern part of the state. They will go to Plymouth for a week's visit before returning home.

The body of Mrs. Susan Coverdill, 75 years old, a resident of Kansas, whose death occurred at the home of her sister, Miss Eliza Gent, in Monroe township Thursday morning, was taken to Strong City, Kas., Friday at 1 o'clock over the Big Four. Funeral services were held at Strong City and burial was at that place. Mrs. Coverdill was visiting her sister, when she was taken ill.

J. P. Allen, Jr., of Greencastle, with his Chalmers, was the first man in Putnam county to register his machine at the state house this year. Gardner Bros., of Greencastle registered their International a few days ago, making the total in this county 513. There are now over 83,000 automobile owners registered for 1915 in the entire state, as against 65,000 in 1914. Fords lead the other cars for numbers in Indiana, showing a total registration of approximately 33,000.

Shelby Moler, of Clinton township, reports a record yield of oats from six acres on his father's farm in Clinton township. Mr. Moler threshed 63 bushels of oats an acre from a field of six acres. Mr. Moler has been threshing in this county and adjoining counties for 15 years and 50 bushels an acre is the largest yield he had ever threshed before. John McCabe has a field of 40 acres adjoining the tract of Moler's and he is of the opinion that the 40 acres will yield as much per acre as the small tract.

Thomas Sage, a farmer living just northeast of Greencastle, is showing his friends a copy of a New Albany & Salem Railroad time card, which was used by his father, John Sage, who was a conductor on that railroad. The New Albany & Salem railroad now is a part of the Monon. At the time the time card was in use, Greencastle was a division point on the line, which extended from New Albany to Michigan City. In going through some old papers left by his father, who died about 13 years ago, Mr. Sage found the time card. It is a most interesting document.

The trial of Murray Townsend, the colored young man, who is charged with assault and battery as the result of a fight he had several days ago with Andrew Pittman, another colored man, has been continued in Mayor Cooper's Court until next Monday morning. As yet Pittman has not recuperated from the injuries he received at the hands of Townsend and he was unable to appear on Monday afternoon, at which time the case was to have been heard. Pittman is the prosecuting witness in the case and the trial will not be held until Pittman is able to appear against Townsend.

After having traveled about 1600 miles between St. Thomas, Ontario, Canada and St. Louis, W. L. Meston, P. Hauser and T. Candle, three St. Louis young men, who were here Thursday night, stated that Putnam county had the best roads of any community they had visited while on their trip. They left St. Louis several days ago and motored straight north of St. Thomas, Ontario, thence south through Indiana. The round trip from St. Louis to St. Thomas covers 1800 miles and they have averaged 180 miles a day. They started from here this morning and expected to arrive in St. Louis tonight. They were driving a Maxwell touring car.

The Wellston, Ohio, Sentinel in telling of the chautauqua there, says: "Maynard Lee Daggy delivered two able addresses, Saturday. The message in the afternoon, 'The Challenge of the Twentieth Century,' in which he dealt with the school questions of the day, found a nestling place in the hearts of the listeners. In the evening's program he delivered a live message, 'The Gospel of the Commonplace.' He showed during the course of his speech that the supposed 'commonplaces' cheerfulness, courtesy and charity, were the paramount factors in life. Mr. Daggy is an orator of the forceful type. During the course of his lecture, flashes of humor would break out, that would hold the audience listening intently, when they were inclined to be restless."—Mr. Daggy is a Greencastle man, being the son of Mr. and Mrs. Charles Daggy, who live just north of town.

DEPAUW MUSIC SCHOOL EXPECTS IT'S BEST YEAR

DEAN R. G. McCUTCHAN ANNOUNCES THAT CHICAGO MAN HAS BEEN SECURED TO SUCCEED PROF. IRA PRATT, AS PROFESSOR OF VOICE—IS HIGHLY RECOMMENDED—ONLY ONE VACANCY TO BE FILLED.

MEMBERS OF THE FACULTY

With the announcement Monday of the selection of Herbert M. Bailey to succeed Prof. Ira Pratt, as professor of singing in the DePauw School of Music, the faculty for the coming school year virtually is complete, according to the announcement of Dean R. G. McCutchan that day.

Most of the members of last year's faculty will return to continue their work this year. Only three members of the last year's faculty resigned. Paul Tinscher Smith, who last year was instructor in band instruments, will be succeeded by Don Julian, of Delphi, a member of the junior class

Dean R. G. McCutchan of the DePauw School of Music.

of the DePauw University School of Liberal Arts. Mr. Julian, who is an artist of exceptional ability, the French horn being his favorite instrument, is traveling this summer with Kryn's band, one of the leading musical organizations of the country.

One Vacancy to Be Filled.

Miss Elsie Marshall, who was assistant instructor in public school music, under Miss Jessie Anders Patterson, also resigned, and as yet the vacancy has not been filled.

The faculty of the school as announced by Dean McCutchan Monday is as follows:

Robert Guy McCutchan, Professor of Singing and of the History of Music.

Julia Alice Druley, Professor of Pianoforte.

Van Denman Thompson, Professor of Organ, Pianoforte and Composition.

Rosa Blackmore, Professor of Pianoforte.

Howard James Barnum, Professor of Violin, Harmony and Orchestral Instruments.

Herbert M. Bailey, Professor of Singing.

Mildred Rutledge, Instructor in Pianoforte, Kindergarten and Normal Methods.

Mary Abigail Henderson, Instructor in Pianoforte.

Martha Geyer Degner, Instructor in Singing.

Jessie Anders Patterson, Instructor in Public School Music.

(To be Selected), Assistant in Public School Music.

Delphine Dunn, Instructor in Public School Art.

Don Julian, Instructor in Band Instruments.

Mary Janet Wilson, Librarian.

Gladys Amela Jolley, Secretary.

Artist of Great Ability.

The selection of Mr. Bailey to succeed Mr. Pratt is a most pleasing one. The Music News, published in Chicago, in speaking of Mr. Bailey says:

"Herbert M. Bailey, for the past two years connected with the Music News, has accepted a position as teacher of voice in the School of Music at DePauw University at Greencastle, and will remove there in September. Mr. Bailey has made himself very popular by his congenial manners, his musical gifts and his good writing in Music News. He has attended and reported, for this paper, conventions and

Miss Rosa Blackmore, Professor of Pianoforte.

festivals in all parts of the country, and has gained a very large acquaintance with societies, directors and artists. He has also fulfilled a number of engagements during the past two years in oratorio and concert, both in Chicago and other points and has appeared conjointly with his wife, Anna Agnes Bailey, soprano, in a number of recitals which have been uniformly successful.

"These artists made a short recital tour in Kansas last spring and in June Mr. Bailey appeared at Kingfisher, Okla., in concert and 'The Messiah' very successfully. Mr. and Mrs. Bailey have both done considerable church work in Chicago and vicinity.

"Mr. Bailey is a graduate of Bethany College at Lindsboro, Kan., and before coming to Chicago was head of the Voice Department in a leading Iowa college. For three years he has been a pupil of Thomas MacBurney in Chicago.

"DePauw is one of the largest and most successful of University Schools of Music and has a very distinguished faculty. The school is to be congratulated on the acquisition of Mr. Bailey, who will spend his entire time teaching in the Voice Department."

How School Has Prospered.

Since taking charge of the DePauw Music School in January 1911, Dean R. G. McCutchan has so raised the standard of that institution that it now ranks as one of the leading schools of the Central States. Shortly before coming to Greencastle to take up his work, Dean McCutchan studied abroad for more than a year. Previous to that time he was in charge of the Department of Music at Baker University, Baldwin, Kansas.

With his coming to DePauw the local school of music took on new life. The conservatory building was remodeled. New equipment was installed, the faculty was reorganized—musicians of great ability and recognized talents being secured. It was through the efforts of Dean McCutchan that the large pipe organ was installed in Meharry Hall, and that a smaller but high grade instrument of

Miss Mary Henderson, Instructor of Pianoforte.

the same character was installed in Music Hall.

Many Artists Brought Here.

Not only in the school has Dean McCutchan shown his ability as an artist and musical director. Through his efforts Greencastle has in the past few years enjoyed hearing some of the greatest musical artists and musical organizations in the country. These artists have been brought here for concerts so that the people of Greencastle as well as the university folk might have the opportunity of enjoying the privilege of hearing them. His ability as a director has enabled him to promote several amateur performances in which university and Greencastle musicians have taken parts, which have been of the highest class.

Prospects for the coming school year are very bright at the DePauw School of Music. The enrollment is expected to be larger than at any

time since Dean McCutchan has taken charge of the institution. The summer months have not been idle ones in the school. The Dean, and Miss Gladys Jolly, of Terre Haute, who will continue through next year as private secretary to Mr. McCutchan, have been kept busy answering correspondence and sending literature to those who are contemplating entering the school this fall.

POEM WRITTEN BY CONVICT IS PRESENTED DR. SWEET

Prof. W. W. Sweet, of DePauw University, who is acting chaplain at the Michigan City Penitentiary, during the two months' vacation of the prison chaplain, returned this morning from Michigan City, where he conducted services Sunday. Dr. Sweet brought home with him a poem, which was written by a convict, which is as follows:

My Old Cob Pipe.

I presume you've heard of the Lake Shore fast train,
And the speed of the auto and aeroplane?
But those clumsy vehicles are certainly slow
Compared to the speed that mine can go.
I simply apply fire to my old corn cob
And in just four seconds I'm home on the job.
Now it's fifty miles home, I remember full well,
From this place where at present I'm forced to dwell.
So you see its convenient to have a vehicle at hand
That uses no wings or wheels for land.
Mine's the vehicle of thought and assisted in flight
By the loneliness of a cell and an old corn cob pipe.

NEIGHBORS LIFE IS THREATENED

CHARLES MEIKEL CLAIMS IN AFFIDAVIT IN MAYOR'S COURT THAT LON SMITH OF NORTH GREENCASCADE ATTEMPTED TO CUT HIM WITH A KNIFE, WHEN HE ATTEMPTED TO PREVENT SMITH FROM BEATING HIS WIFE—SMITH NOW UNDER \$800 BOND.

SURRENDERS TO SHERIFF

After having threatened his wife with violence and attempting to cut Charles Meikel with a knife, when the latter made an effort to prevent him from injuring Mrs. Smith, Lon Smith, the night fireman at the Putnam Electric plant, who resides on Daggy street, went to the home of Sheriff Theodore Boes Saturday evening, a short time after the trouble occurred, and gave himself up. Smith is now under \$800 bond, charged with assault and battery with intent to kill.

It is said that Smith and his wife had had trouble and the former chased her from the house and east on Daggy street, threatening her with violence. Meikel, who resides near the Smith home, then interceded and attempted to quell the disturbance. Meikel alleges that Smith attacked him with a knife and attempted to cut him, but he succeeded in escaping the blade of the instrument. After Meikel had returned to his home, Smith is said to have procured a shotgun and returned to the Meikel home and walked about the house threatening Meikel's life.

Marshal John Cooper went to the light plant to arrest him but Smith refused to go to jail with Cooper because he had no warrant for his arrest and ordered him from the plant Smith, a short time later, went to Sheriff Boes's home and asked to be placed under arrest. He spent the night in jail and was arraigned before the mayor Monday morning, charged with assault and battery with intent to kill, in an affidavit filed by C. H. Meikel.

Smith pleaded not guilty to the charge and his attorney, John H. James, filed an affidavit for a change of venue from the mayor's jurisdiction. Mayor Cooper then named five attorneys, one of which will be selected by Prosecuting Attorney W. M. Sutherland and Smith's attorney to act as special judge in the case. The men named by Mayor Cooper were: C. T. Peck, George Wilson, C. C. Gillen, T. T. Moore and Matt J. Murphy. The selection of a judge was made Wednesday.

Smith's bond was placed at \$800, which he furnished. His bond was given by John Cherry, Henry Bicknell, E. A. Browning and Charley A. Kelly. The case probably will be called for trial the latter part of the week.

PUTNAM APPLES SCORE VERY HIGH

DISPLAY OF THE GREENCASCADE ORCHARD CO., AT THE INTERNATIONAL APPLE SHIPPERS' ASSOCIATION SHOW IN CHICAGO AWARDED SECOND PLACE IN GROUP OF EIGHT STATES.

WILL WETZ SCORES HIT

Putnam county apples exhibited by the Greencastle Orchard company at the International Apple Shippers' Association in Chicago last week, were awarded second prize in the display of a group of eight states. Will Wetz, local manager of the Greencastle Orchard company's Putnam county orchards, was in charge of the display.

Group 2, in which the local apples were shown, consisted of displays from all of the big orchards and fruit associations in Illinois, Arkansas, Missouri, Kansas, Oklahoma, Wisconsin, Ohio and Indiana. The apples displayed by the local company, scored 89 and one-fifth points. The winner of the display in this group, Senator H. M. Dunlap of Illinois, owned 1,500 acres of orchards. His apples scored ninety-one and one-fifth points.

In defeating the orchard owners of the many states in the group two, the Greencastle Orchard company and Mr. Wetz scored a great victory. Among the Indiana exhibitors defeated by the local company, was J. A. Burton of Orleans, who is known as the Indiana apple king.

Not only did the Greencastle company win second place in group two, but its apples scored higher than the winners of first place in several of the other groups.

The displays consisted twenty plates of apples. Twenty varieties were shown as follows: ten winter varieties; five fall varieties and five summer varieties.

Mr. Wetz, who returned home from Chicago Saturday evening, brought with him two large photographs showing the display which was in the Hotel Sherman in Chicago. One picture shows the five judges, who scored the apples. The picture is taken with these men standing by Wetz tables and shows display of the local apples to great advantage. The judges selected the Wetz table to have their picture taken by because of the facts that the Greencastle display was one of the most attractive in the hall.

The tables were in the center of the hall. On each table a miniature silk American flag adorned the middle plate of apples, while a sign reading:

"Gee Whiz—Indiana."

was placed on each table. The following regarding the display of the local company is taken from a National fruit journal:

Fine Indiana Apples.

CHICAGO, Aug. 6.—One of the prettiest and most effective display at the Apple Exhibit here was that of the Greencastle Orchard Co., of Greencastle, Ind. There were two tables, and among the chief varieties exhibited were Stayman, Winesaps, Baldwins, Rome Beauty, Ben Davis, Spitz, Jonathan, Gano, Starks, Black Twig, Delicious, Grimes Golden and Transparent. There are 362 acres all in bearing in this fine orchard, and Will Wetz, the manager, says the crop this year will run between 15,000 and 20,000 barrels. Some sales of the Grimes Golden have already been made on the strength of the samples. An Indianapolis brokerage house, as the sole distributors for the orchard.—Philadelphia Fruitman's Guide.

Farm Fugitive is Captured.

John Osborn, who said he was serving a term at the State Farm for petit larceny, was taken from a freight train at Belmont avenue and the Vandalia Railroad tracks Sunday morning by Bicyclemen Brady and Clary and was charged with being a fugitive. Osborn had a bottle of liquor in his pocket and he showed the effect of the liquor. Osborn said he escaped from the farm with two other men, whom he left in Greencastle, Ind. The police will hold him and he probably will be tried for escaping from the farm, which is an offense in itself and carries a sentence of from two to fourteen years in prison. Osborn said he lived at 749 Massachusetts avenue and was sentenced to the farm April 19. He said he received a fine of \$25 and costs and a sentence of 180 days.—Indianapolis Star.

MYERS THIRD IN MILE RUN AT FRISCO MEET

DePauw Athlete, Running Under the Colors of the Illinois Athletic Club, Helps Place His Team in Third Place.

SAN FRANCISCO, Cal., Aug. 7.—Athletes of the Olympic Club, San Francisco, won premier honors in the senior A. A. U. track and field meet at the Panama-Pacific Exposition today. They scored 30 points, six more than the Irish-American Club, New York. The Illinois Athletic Club of Chicago was third with 21; the Chicago Athletic Association had 17, Kansas City A. C., 13; University of Wisconsin, 11; Los Angeles A. C., 10; Multnomah A. C., 10; New York A. C., 9, and University of Chicago, 7.

Ivan Myers, the Indiana miler from DePauw University, running for the Illinois Athletic Club, took third in the mile, which was won by J. W. Wray, Myers's teammate.

IS NOW ORGANIZING NEW DEPARTMENT FOR DEPAUW

Miss Florence Byrd, of DePauw University, Greencastle, spent Sunday here with her mother, Mrs. Jessie Byrd. Miss Byrd, because of her ability as an expert in the teaching of domestic science, is at the head of that department in DePauw University and is now organizing the department and superintending the installing of equipment. This work will be made a regular course at DePauw next fall.

Many applications are being received from students who want to enroll for the course in domestic science and it is probable that the demand will be greater than provision can be made for at the start. Miss Byrd after her graduation from the Ladoga high school, became a teacher in the schools here and then prepared herself for the higher work to which she has since been called.—Ladoga Leader.

MAY TAKE FRAT CASE TO COURT

IT IS POSSIBLE THAT THE COUNTY COMMISSIONERS WILL ORDER MANDAMUS PROCEEDINGS IN THE TAXATION CASE, IN ORDER THAT THE CASE MAY BE THRASHED OUT IN COURT—TO DECIDE SATURDAY.

SENTIMENT FAVORS COUNTY

In order that the fraternity taxation case may be "thrashed" out, it is possible that the county officials will file mandamus proceedings in the Putnam Circuit Court against the State Tax Commissioners, who ruled that the property owned by the eight Greek letter secret organizations of DePauw University were exempt of taxation.

Before the mandamus proceeding, which is a legal demand that the State Tax Board order the fraternity properties be placed on the tax duplicates, can be taken, the County Commissioners will have to order that action. The commissioners will meet here next Saturday and the matter will be discussed at that time and some definite plan arranged.

The general belief is that the commissioners will order that a mandate be filed and the case taken to court. The county officials are inclined to believe that the taxation of the fraternities is only just and they also believe that in case the matter is taken to court that a mandate will be issued to the State Tax Commissioners which would reverse their ruling. Public sentiment favors the action of the County Board of Review, which placed the fraternity property on the tax duplicates, and it is probable that this will influence the County Commissioners to order mandamus proceedings.

Should the fraternities be taxed, the county will be greatly benefitted from a financial standpoint. The assessed valuation of the eight fraternity properties in Greencastle according to the appraisements made by the Board of Review is \$36,600. Taxes would be paid on that amount. The valuation of the properties was made by the board of review as follows:

Phi Delta Theta	\$3,000.00
Phi Gamma Delta	3,100.00
Sigma Chi	8,200.00
Delta Tau Delta	3,300.00
Delta Upsilon	2,500.00
Beta Theta Pi	8,500.00
Phi Kappa Psi	4,000.00
Delta Kappa Epsilon	3,600.00

TYPHOID FEVER CLAIMS VICTIM

DAYMAN FULTZ, AGE 14 YEARS, SON OF MR. AND MRS. FRED FULTZ OF CLOVERDALE, SUCCEDED TO ILLNESS OF TWO WEEKS' DURATION—MANY OTHER CASES REPORTED IN CLOVERDALE.

AN EPIDEMIC IS FEARED

Dayman Fultz, age 14, son of Mr. and Mrs. Fred Fultz, of Cloverdale, died at 9 o'clock Sunday morning, following an illness of two weeks of typhoid fever. Fred Fultz, the father, is assessor of Cloverdale township.

Seven or eight cases of the fever have been reported from Cloverdale and the people there are fearing an epidemic of the disease. Among those who are suffering the disease are: William O'Daniel, a son of J. W. O'Daniel; Mrs. Hattie Gorman; a daughter of Mr. and Mrs. Joe Rogers; a daughter of Mr. and Mrs. J. B. Burris; a son of Mr. and Mrs. Dora Hurst; and a son of Mr. and Mrs. Lafa Hood.

S. E. FARMER PURCHASES

THE CLOVERDALE HOTEL

S. E. Farmer, of Mt. Meridian, who owned a grocery store at that place for several years, has purchased the Cloverdale hotel of L. L. Runyan and took possession of the place of business Monday. Mr. Farmer is well known in the east and south part of the county. His store at Mt. Meridian was destroyed by fire last winter.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Few medicines have met with more favor or accomplished more good than Chamberlain's Colic, Cholera and Diarrhoea Remedy. From a small beginning its sale and use has extended to all parts of the United States and to many foreign countries. Everywhere it has received unstinted praise. We confidently believe that it has relieved more pain and suffering and saved the lives of more people than any other one preparation in use. One or two doses of it is enough to relieve an ordinary attack of colic or diarrhoea. It has been used in many epidemics of dysentery with perfect success. It is especially valuable for summer diarrhoeas in children. Every family should keep it at hand as attacks of cholera morbus often result fatally before medicine can be procured or a physician summoned. Obtainable everywhere. adv.

WANT VAN NUYS

FOR GOVERNOR

Elwood Paper Offers His Name as Desired by His Friends.

The Elwood Reporter in speaking of the boom of Frederick VanNuy for governor, says: "The friends throughout the state of senator Frederick VanNuy, of Anderson, are urging him to allow them to use his name in connection with the Democratic nomination for governor."

"Mr. VanNuy during the last session of the legislature was the Democratic floor leader of the senate and his fearless stand for right and

against bad legislation, made him favorably known through the state. In the first session of his term he was the author of a direct primary bill similar to the law enacted by the last legislature fulfilling the pledges of the national and state Democratic platforms. Since his appearance in the 1913 legislature he has been often solicited to make the race for lieutenant governor but has always refused to consider such a nomination.

"Mr. VanNuy was born in Falmouth, Rush county, Indiana, on April 16, 1874, and was educated in the common schools of Lebanon and Earlham college, from which he graduated in 1898. He attended Indianapolis Law school and has lived in Madison county and practiced his profession since 1903. He is now one of the leading attorneys in eastern Indiana. During his entire residence in Madison county he has been active in Democratic politics and in 1906 he was elected prosecuting attorney and re-elected in 1908. He is at the present time serving his party as county chairman. He is in great demand as an orator on public occasions and as a speaker and debator would be entirely competent to meet the best opponents.

"Mr. VanNuy's friends insist that he is the logical candidate not only because of his ability and fitness but from his clean record and the fact that he has never been a factional partisan."

MARKETING OF FARM TIMBER.

Forest Service Says Ignorance of the Woodlot Owners Often Costs Them Dearly.

WASHINGTON, Aug. 9.—The marketing of farm timber presents some of the same difficulties, but in an aggravated form, that the farmer meets in selling other crops, says a Forest Service contribution to the Year Book of the Department of Agriculture, just issued. The farmer finds it hard to get enough for his timber. Most farmers now sell their saw timber on the stump to a mill man, such sales ordinarily being made for a lump sum. The mill man, experienced in estimating, goes through the woods and sizes up the quantity and value of the timber he wants. The owner, being a farmer and not a lumberman, seldom knows anything about estimating timber and has only the vaguest idea of what it ought to bring. The consequence of this condition is that the farmer often receives only a small fraction of the actual market value of his stumpage.

Astonishing examples of what a farmer may thus throw away are often encountered by foresters, continues the article. For instance, a Massachusetts farmer sold a million feet of timber to a portable sawmill man for \$1,200, and thought he had obtained a good price. His neighbor, however, who knew something about timber, got \$7,000 for the same quantity of white pine from the very same portable mill man. The first farmer, on account of his ignorance, practically presented the mill man with \$5,800; the second owner was wise enough to learn before he attempted to sell his timber how much he had and what it ought to bring him in money.

The productive capacity of the 200 million acres of farm lands throughout the country which either have or should have timber growing on them is enormous, says the article. The area is larger than all the national forests put together, and with an annual growth of 200 board feet per acre of saw timber—a moderate allowance under the practice of forestry—it would produce annually forever about 40 billion feet, or the equivalent of the entire lumber cut of the country, in addition to not less than 20 mil-

lion cords of firewood.

These figures, continues the article, probably never will be realized, for the reason that the present area of farm woodlands is much greater than it will be eventually. For example, woodland comprises 31 per cent. of the entire farm area of the South, and undoubtedly much of this land will be put to other uses than timber growing. Nevertheless, the farmers of the United States now own at least 250 billion feet of saw timber and one and one-third billion cords of cordwood, and this timber should produce a substantial part of their incomes. Farmers ought to make the most of their timber, and the public should be interested in this question for the reason that the vast aggregate of farm timber should be available to supplement the other sources of the general supply.

MELON THIEF SLAYER PAROLED BY RALSTON

Charles Cushing, Sentenced from Noble County for Killing Man Who Stole from Farm, Released by Governor—Now at the State Penal Farm.

Parole for the release of Charles Cushing from the penal farm, to which he was transferred from the Michigan City prison following his conviction for manslaughter, was issued Thursday by Governor Ralston. Cushing was sent from the Noble Circuit court to serve an indeterminate sentence of two to twenty-one years, and his parole comes before the expiration of one-half of the minimum term. Cushing now is at the state penal farm at Putnamville, where he has been since work on the farm was begun. He is an expert carpenter and has had charge of much of the carpenter work on the farm buildings.

A number of extenuating circumstances developed in letters and petitions submitted to the Governor in Cushing's behalf. A discharge from Cushing's shotgun resulted in the death of Howard McLaughlin, who, in company with several others, is said to have raided Cushing's watermelon patch in Noble County, near Kendallville.

On being informed that a gang of strangers was stealing his melons, Cushing started toward the place with an empty shotgun and sent his 12-year-old boy to the house to get some shells. Upon the return of the boy he saw McLaughlin running with a watermelon under each arm. He called him to stop but when he failed to do so, Cushing says he fired, intending to strike the ground near McLaughlin's feet, but McLaughlin lost his footing and rolled down an embankment, having been hit by the shot. He died a short time later.

A number of prominent persons of Kendallville and surrounding neighborhoods signed petitions and sent letters to Governor Ralston urging his parole. The state board recommended the parole, but Judge Luke H. Wrigley, who presided at Cushing's trial, vigorously protested against the parole.

A fine of \$100 assessed against Thomas Sampson in the City Court of Kokomo for having liquor in his possession contrary to law, was remitted by the Governor. Sampson was sentenced to the farm for ninety days. He is 72 years old, in ill health and said to be unable to pay the fine.

Mr. and Mrs. O. H. Bowen, of the Commercial Hotel, have purchased a new seven-passenger Premier touring car. They drove the new machine down from Indianapolis Saturday evening. Mr. Bowen had contracted for the purchase of a Studebaker "6" but the agents could not deliver the machine and so he purchased the Premier.

SHERIFF HAS A "FULL HOUSE," TO HOLD "FLUSH" THIS FALL.

Sheriff Theodore Boes has a "full house" down at the county jail, which consists of 8 escaped prisoners from the State Farm and 2 alleged horse thieves. Although this does not tax the capacity of the jail, 10 prisoners is about the largest number that can be conveniently cared for. The sheriff says he can accommodate that many more "jail birds" if they are sent to the bastille.

The officer will hold a "flush" this fall, however, and will clear the jail of the prisoners. The opening of court the first Monday in September will take at least eight of the men from his care. The State Farm prisoners will be arraigned before Judge James P. Hughes and sentenced to the State Prison at Michigan City for terms of from 2 to 5 years. The two alleged horse thieves will be tried during the first few weeks of the September term.

ERNEST SELLERS WEDS

MISS FLOSSIE BROWN

Ernest Sellers, a painter of this city, and Miss Flossie Brown, a popular young lady of Warren township, were married in Indianapolis Sunday. Mr. Sellers is a well known young man of this city and his bride is the daughter of Mrs. Laura Brown of Warren township.

They procured license to wed from County Clerk Harry W. Moore and went to Indianapolis Saturday evening. They were united in marriage at the home of the groom's brother, Homer Sellers. They will reside here.

BELLE UNION WINS GAME FROM INDIANAPOLIS TEA.

The Belle Union baseball team defeated the strong Gold Medal team from Indianapolis on the Belle Union field Sunday afternoon in a fast and exciting game. The score was 1 to 0 in favor of the Putnam county lads. The pitching of Orville Blue, who had the Indianapolis sluggers at his mercy, and the hitting of Cleo Whittaker, who drove in the only run of the game with a three-bagger, were the features of the contest.

Elder Lawrence H. Athey preached the funeral of Mrs. W. W. McCullough at the Union Chapel church in Clay county, south of Brazil, Thursday.

AN ESCAPED PRISONER IS CAUGHT AT KOKOMO

An escaped prisoner from the Indiana State Farm has been captured at Kokomo and will be brought here this evening and lodged in jail. The man is a Greek and was sentenced to the farm from Logansport with another foreigner, who is believed to have been the man who attacked and seriously injured a foreman at the O. & I. Stone Quarry west of the city about eighteen months ago.

The Greek escaped from the State Farm several weeks ago and was taken into custody the latter part of the week. Sheriff Theodore Boes and Special Deputy Lewis Hodge went to Kokomo this morning and will arrive here this evening with the prisoner. He will be kept here in jail until the opening of court this fall and then sentenced to the State Prison for a term of from two to five years.

WATER SAMPLES TO BE ANALYZED

TYPHOID FEVER SITUATION IN CLOVERDALE CAUSES DR. J. M. KING, COUNTY HEALTH OFFICER, TO MAKE INVESTIGATION—WILL ATTEMPT TO ASCERTAIN THE SOURCE OF DISEASE.

NO NEW CASES REPORTED

The typhoid fever epidemic in Cloverdale is being thoroughly investigated by Dr. Jerome King, county health officer. Dr. King was in Cloverdale Monday afternoon and secured several samples of water which have been sent to the state laboratories for analysis.

The fact that most of those who are suffering the disease are young folks leads the health officer to believe that the disease was contracted at some public drinking place and samples of water from public drinking places were secured. So far eight cases have been reported, one of which has proven fatal. Dr. King advises that the Cloverdale people take every precaution against contracting the disease. All drinking water should be boiled in order that the germs, if there are any, will be killed.

WILL IMPROVE THE DEMOCRATIC CLUB

INDIANAPOLIS, Ind., Aug. 10.—The building committee of the Indiana Democratic Club has awarded the contract for alterations and additions to the present club house, the improvements to cost \$7,500 or more, when completed. The new eight bowling alleys will be the best in the state in number and construction. These will be ready for use the first of September. The club hopes by the excellence of the bowling alleys and equipment to attract the next state tournament.

ENTERTAINS WITH SHOWER FOR MISS DAISY STAUCH

Miss Ella Bowman entertained the members of the S. C. C.'s at her home on west Walnut street Monday with a miscellaneous shower in honor of Miss Daisy Stauch of this city, who is to wed Herman Makey of Chrisman, Ill., the latter part of this month.

The house was prettily decorated in yellow and white, that color scheme being used throughout the evening. Miss Stauch received gifts from thirty members of the club who were Miss Bowman's guests. The gifts were presented to Miss Stauch in a huge clothes hamper.

Dainty refreshments of brick ice cream in the form of wedding bells, angle food cake and punch were served. Miniature wedding bells were given as favors.

Better Bread with Indiana Flour
Try this recipe: Take 1 qt. lukewarm water, add 1 cake yeast and enough Indiana flour to make a stiff batter. Beat or stir until perfectly smooth. Let rise to twice its size. Add 3 oz. of lard (about size of an egg), 2 heaping tablespoons of sugar, 4 level teaspoons of salt, and enough Indiana flour to make a dough—not too stiff, but just so you can work it. Knead dough for 10 minutes. Let rise to twice its size. Shape into loaves and put into pans. Let rise again to twice its size. Grease loaves on top and bake in moderately hot oven for 40 to 60 minutes.

Better Baking

With Indiana flour, whose purity and quality are guaranteed under this label, any housewife should find successful baking easy.

Indiana flour is made from wheat rich in the nutritive food elements and the pure natural moisture necessary for a perfect flour. As a result, Indiana flour requires less kneading and less time for rising than any other flour on earth. The one means easier baking, the other better flavor and better bread.

The best Indiana flours bear this label.

mission and graduation, college enrollment has more than tripled since 1896.

Receipts during the year totaled \$120,579,257, of which \$18,422,856 was for endowment. Benefactions to colleges and universities totaled \$26,670,017, something over \$2,000,000 more than in the year previous. Six institutions received benefactions in excess of a million dollars apiece, and 45 universities, colleges and technological schools reported gifts amounting to more than \$160,000. In the past seven years the largest increase in income has come through state and municipal appropriations, and the smallest from tuition and other fees. State and municipal appropriations grew from \$9,649,549 in 1908 to \$23,400,540 in 1914, while fees for tuition and other educational services increased from \$15,390,847 to \$22,504,529.

The dominant note of the year in higher education, according to the report, was concentration, both in internal organization and in relation to state authority. The movement in the direction of authoritative classification gained momentum during the year, chiefly through the activities of several voluntary associations. The junior-college movement has reached the point where several states—notably Wisconsin, Missouri, Virginia and Idaho—have gone on record as definitely recognizing junior colleges in the educational system of the state. The Municipal University of Akron, Ohio, was added to the list of city universities, and the new "Association of Urban Universities," established in the fall of 1914, lends emphasis to this municipal-university development.

Degrees conferred by colleges and universities included 26,533 baccalaureate, 5,248 graduate, and 749 honorary. The degree of doctor of philosophy was conferred as the result of examination by 46 institutions on 446 men and 73 women.

Land Opened to Homestead.

Uncle Sam has recently made available for homestead entry what is officially known as the Fourth Unit of the Belle Fourche irrigation project in South Dakota. From time to time for the past several years small areas have been opened to the public in this section and already there is formed a splendid agricultural community as a nucleus for the development of the entire project which will require several months to complete. The present opening is therefore generally regarded as offering an excellent opportunity for the man who wishes to exercise his homestead right and still obtain a desirable and productive tract of land within a few miles of towns where there are modern advantages, such as schools, churches, stores, telephone service and good markets.

The crop returns on the Belle Fourche project have been very good and an encouraging feature of the trend of its development is the increase in stock and the tendency to engage in hogs. Agricultural experts have long pointed out the advantages on this project for hog raising and dairying. With recognized markets for merchantable products and the facilities for producing alfalfa of a fine quality, the settlers seem to have heeded this advice and their splendid results are now serving as an impetus for further progress along these lines. Persons who appreciate the desirability of engaging in alfalfa culture, hogs and dairying can find nowhere in the West a section which will offer better facilities for specializing along these lines.

The Government announces that the land itself is free and can be obtained only under the homestead law. Provision is made by the Reclamation Service for supplying water at actual cost to each settler and after twenty years' time he is given outright a permanent water right.

That the better lands embraced within the public domain are rapidly diminishing seems evident from a statement made relative to this and other districts by Albert V. Leonard, Settlement Agent of the U. S. Reclamation Service at Chicago, who adds that "the Belle Fourche project should attract a desirable element who realize the necessity of securing land as an economic permanency."

Twenty-five couples enjoyed a dance in the K. of P. hall Friday evening. The music was furnished by Claire Bittles, pianist; James Bittles saxophone, and Charles Conklin, drums. The out-of-town people who were here for the occasion were Miss Pauline Young, Miss Mary Crose, Miss Oakie Cross and Frank Lovett of Roachdale; Miss Calita Prichard, of Cloverdale, and Miss Vada Wagoner, of Kankakee, Ill.

OBITUARY.

James T. Miller was born in Franklin township, Putnam county, October 28, 1930. His parents, James and Sibbie Harper Miller, moved to Indiana from Kentucky, locating near Carpentersville, a few weeks before his birth.

He was the youngest child in a family of twelve children, nine growing to maturity with families of their own and three dying in infancy.

He is the last of the family; the brothers and sisters having gone before him are: John, Brice, Charles, Joseph, Boone, Mrs. Betsy Booker, Mrs. Liddy McCameron and Mrs. Sally Anne Ragedale. He also had two half-brothers, Stephen and Fielden Hanks, and one half-sister, Mrs. Fidelia McClelland, who are all dead.

While young he learned the tanner's trade with Phillip Carpenter, then of Carpentersville, but long since deceased, thus acquiring the name of "Tanner" Jim.

On Nov. 3rd, 1850, he was married to Miss Mary Brown, who still survives and who has been faithful indeed in her love and care for him in the several years of his invalidism and helplessness. For almost sixty-five years they have traveled life's pathway together; commencing as they did in early days many hardships were experienced in the raising of a family and building a comfortable home. Five children came into this home: two sons and three daughters. The living children are: Jason R., Jasper N. and Mrs. Eliza V. Whitt. Two daughters have died—Syrilda, in 1873, at the age of seventeen years, and Mrs. Alice S. Lewis, in 1888, age 28 years, the latter leaving two small children, Walter and Elsie, to the tender care of their grandparents.

In the year 1871 Mr. and Mrs. Miller moved from Franklin township to their home farm in Monroe township, where they lived until two years ago when too feeble for farm activities, they moved to Roachdale; knowing it to be the best for them to go, yet not without regrets for their hearts were closely attached to the home of forty-four years and the good old spring that was so much satisfaction to them.

While Mr. Miller never united with any church, he was always a believer in the Baptist faith and in younger days of health and strength he enjoyed attending their meetings.

The companionship of his neighbors and friends meant much to him though in recent years he missed much of it. He was honest and upright, an accommodating neighbor and a true friend.

In politics he was a staunch democrat, being strong in his belief and true to party principles, regretting very much when he could no longer go to the polls.

Being of a jovial disposition he could always think of something laughable to tell just to drive away the blues.

Besides the wife, age 85, and children already mentioned, he has thirteen living grand-children and eleven great-grandchildren; also quite a number of cousins, nieces and nephews.

Owing to infirmities of age he had been poorly for some time, gradually growing weaker and on Aug 3rd, 1915, he fell asleep and calmly passed to the great beyond.

Gathered home hushed be our weeping, Bleed our weeping hearts no more; One more sheaf of God's own reaping Garnered on the heavenly shore. Lifted now the vapory curtain, Ended now life's fitful dream;

Lo, the invisible made certain On the homestead of the stream. Funeral services at the home on August 4 conducted by Elder A. S. Mayhall and burial at Brick Chapel cemetery.

OBITUARY.

Mrs. Susan Coverdill, wife of the late J. W. Coverdill of Cottonwood Falls, Kansas, died at the home of her sister, Eliza Jent, August 4, 1915. Mrs. Coverdill was born in Putnam county, Indiana; September 26, 1836, but had made her home in Kansas for about forty years. She and her daughter, Carrie, had returned to Indiana July 5, to spend the winter at her old home. She had been in good health until July 27 when she suffered a stroke of paralysis from which she failed to recover. She leaves three sons and one daughter, Thomas J. of Kansas City, Mo., J. W., Jr., of Cottonwood Falls, Kansas; Chas. E., of Detroit, Mich., and Carrie Coverdill, of Cottonwood Falls, Kansas. She also leaves two sisters, Mary Perkins, of Chapman, Kansas, and Eliza Jent, of Bainbridge, Ind. The body was taken to the home at Cottonwood Falls, where funeral services were held Sunday, August 8th. Carrie Coverdill, Charles Coverdill and Eliza Jent accompanied the body to Kansas.

After short services at the home of her sister, the body was taken to her home in Cottonwood Falls, where the funeral services were held Sunday, Aug. 8.

State Tax Board Adjourns.

(By Willis S. Thompson.)

INDIANAPOLIS, Ind., Aug. 10.—The State Tax Board adjourned its annual summer session Saturday. It is doubtful if there has ever been a time in the history of the state when a state tax board met and made so few changes in the figures sent in by the county boards of review.

In eighty-seven of the ninety-two counties of the state there was not one penny of increase made in the values placed upon farm lands. In all these eighty-seven counties the figures stand just as returned by the county boards and it is upon the valuations made by these local boards of review that taxes will be collected in each of these counties.

The only counties in which changes were made by the state were Martin, Davies, Orange, Vermillion and Jefferson. In these counties the local boards had made the appraisals on farms less per acre than in 1911, when the last previous assessment had been returned. The members of the state board did not believe any farm lands in Indiana were worth less in 1915 than they were in 1911, especially since most of the county boards had made slight increases. So the state board in dealing with the five counties mentioned, simply restored the figures of 1911, which amounted to an increase of about five per cent. in the assessments made by the five county boards.

Mrs. Bruce Shannon and son were expected to arrive home from California this week where they have been visiting relatives for the past several weeks. They visited relatives in Los Angeles and went from there to San Francisco, where they spent the remainder of their visit. Mr. Shannon received word that they would leave Monday for this city.
